## NDA Tender

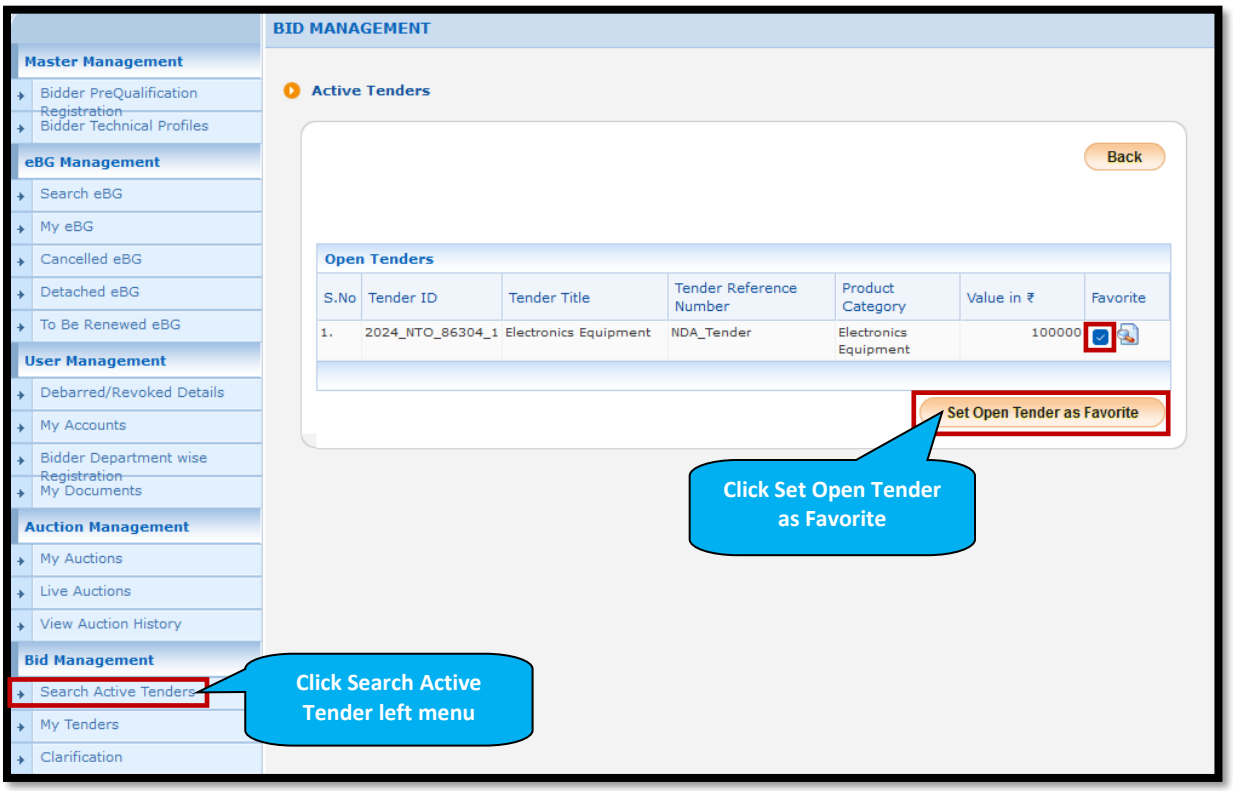

An NDA tender, or Non-Disclosure Agreement tender, is a procurement process where participants (bidders) are required to sign a Non-Disclosure Agreement (NDA) and the department user has to accept/approve the document, only then the bidder can access the tender documents or participate in the bidding process. This type of tender is used when the information contained within the tender documents is sensitive, confidential, or proprietary, and the issuing organization wants to ensure that this information is protected from unauthorized disclosure.

## 1. Bid Submission

Registered Bidder can be login into the portal by providing the login ID, Password, Captcha and clicking the Proceed button. Physically insert the DSC to login into the portal. The system navigates to the Dashboard of the bidder.

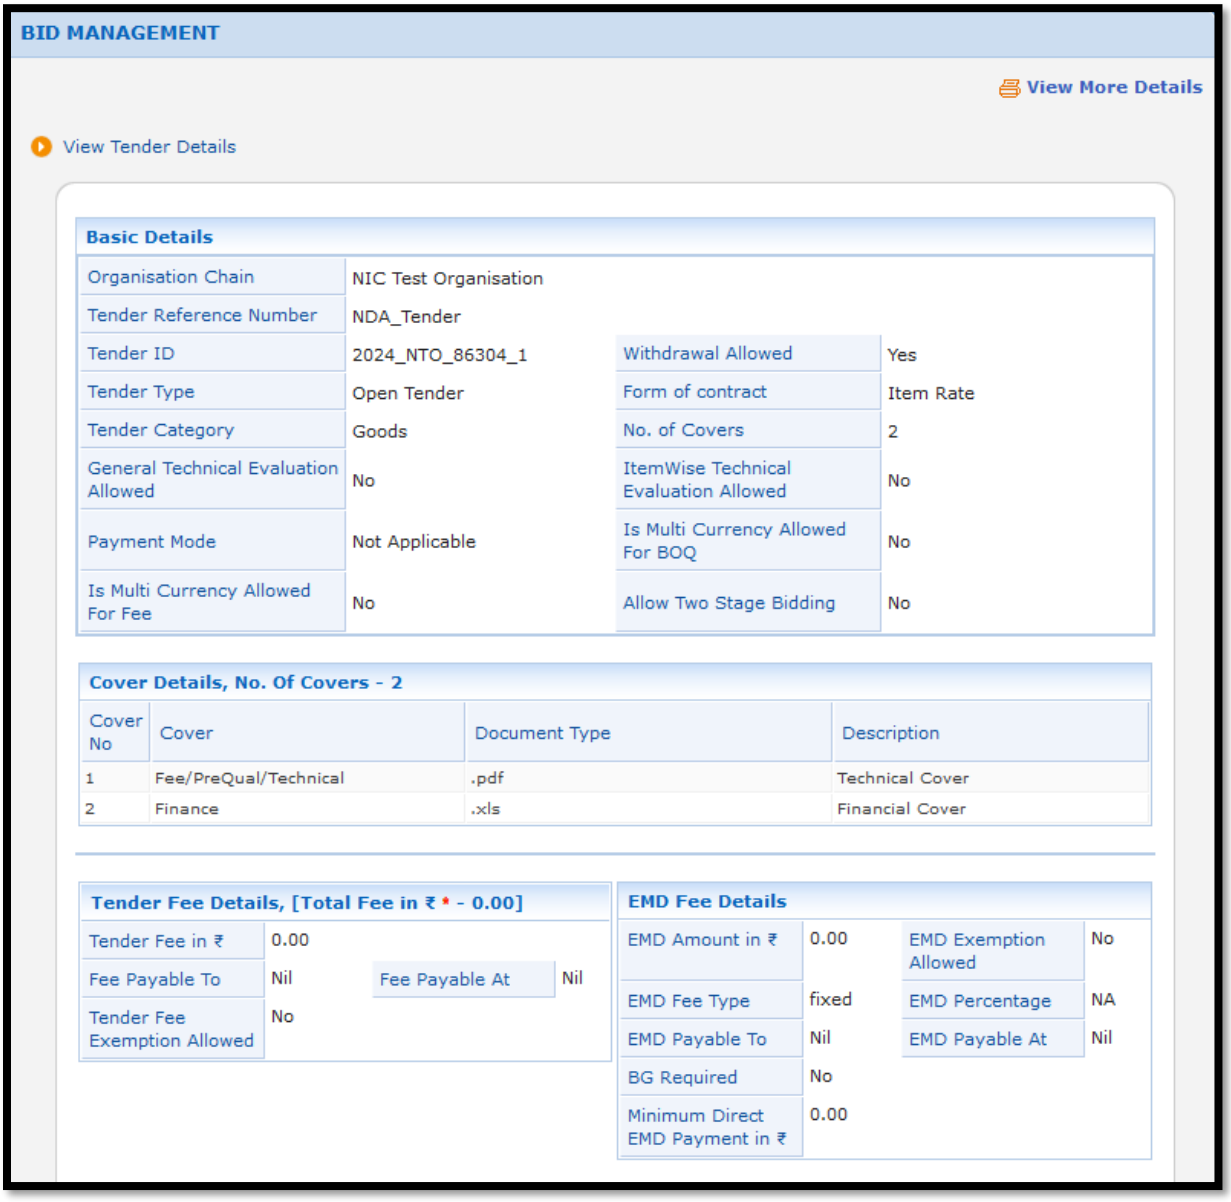

## 1.1. Search Active Tenders

Click on the **Search Active Tenders** left menu under Bid Management module to proceed for bid submission. The system navigates to the Search Active Tenders page. To search the Tender provide Tender ID and click the Search button. Select the check box against the tender and click Set Open Tender as Favorite button.

## 1.2. My Tenders

Click on the **My Tenders** left menu under Bid Management module. Click on the View icon against the Tender ID to view the Tender details. The system navigates to the View Tender Details page.
