1. Pre-Requisites

Supported Browsers: Mozilla Firefox version 42 to 49 (Download Firefox 52.0.2 ESR), Internet Explorer 9 and above.

Java Runtime Environment (JRE): Version 1.8.0_161 (Download JRE).

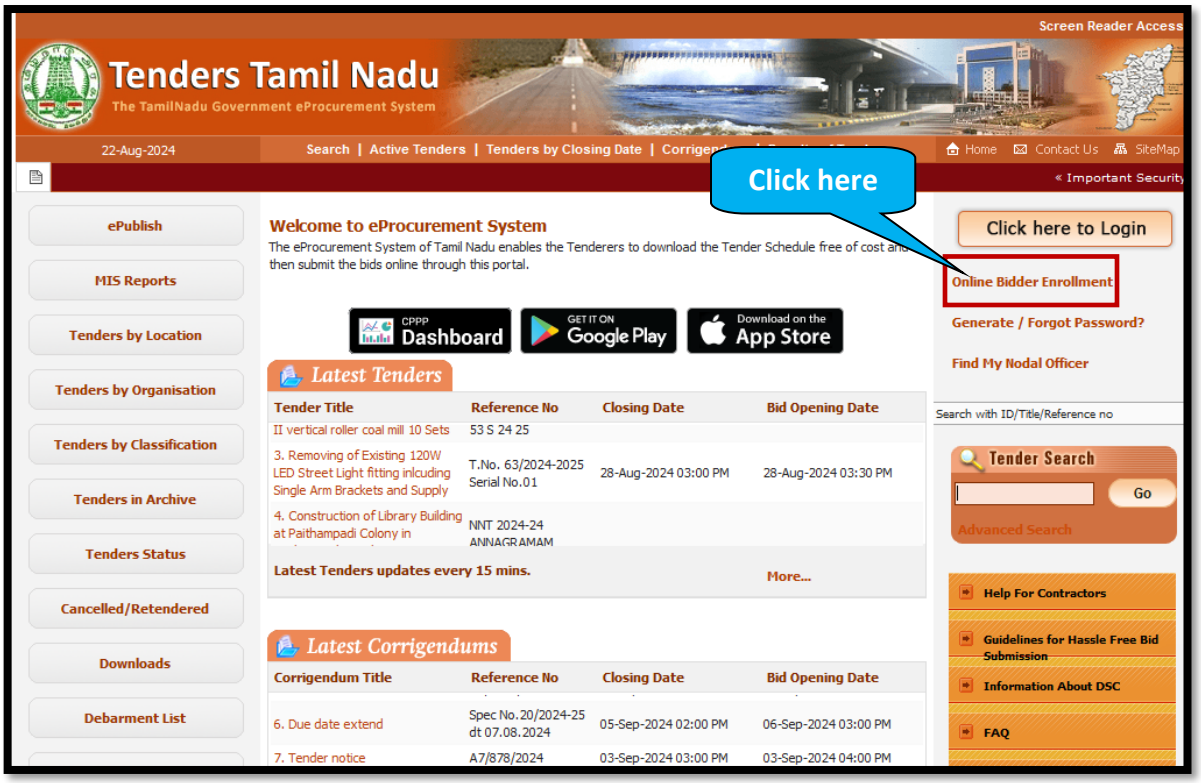

Digital Signature Certificate (DSC): Bidders must possess a valid DSC to participate in eTender.

Class 3 DSC Requirement: A Class 3 DSC is mandatory for eTendering processes to ensure secure and legally compliant transactions.

Bidders need to produce DSC, 24 hours prior to DSC Registration.

2. Steps to Enroll as a Bidder on the TN eProcurement Website

1. Visit the TN eProcurement Website:
   - Go to the live portal: https://tntenders.gov.in/nicgep/app
   - Click on the "Online Bidder Enrollment" link.

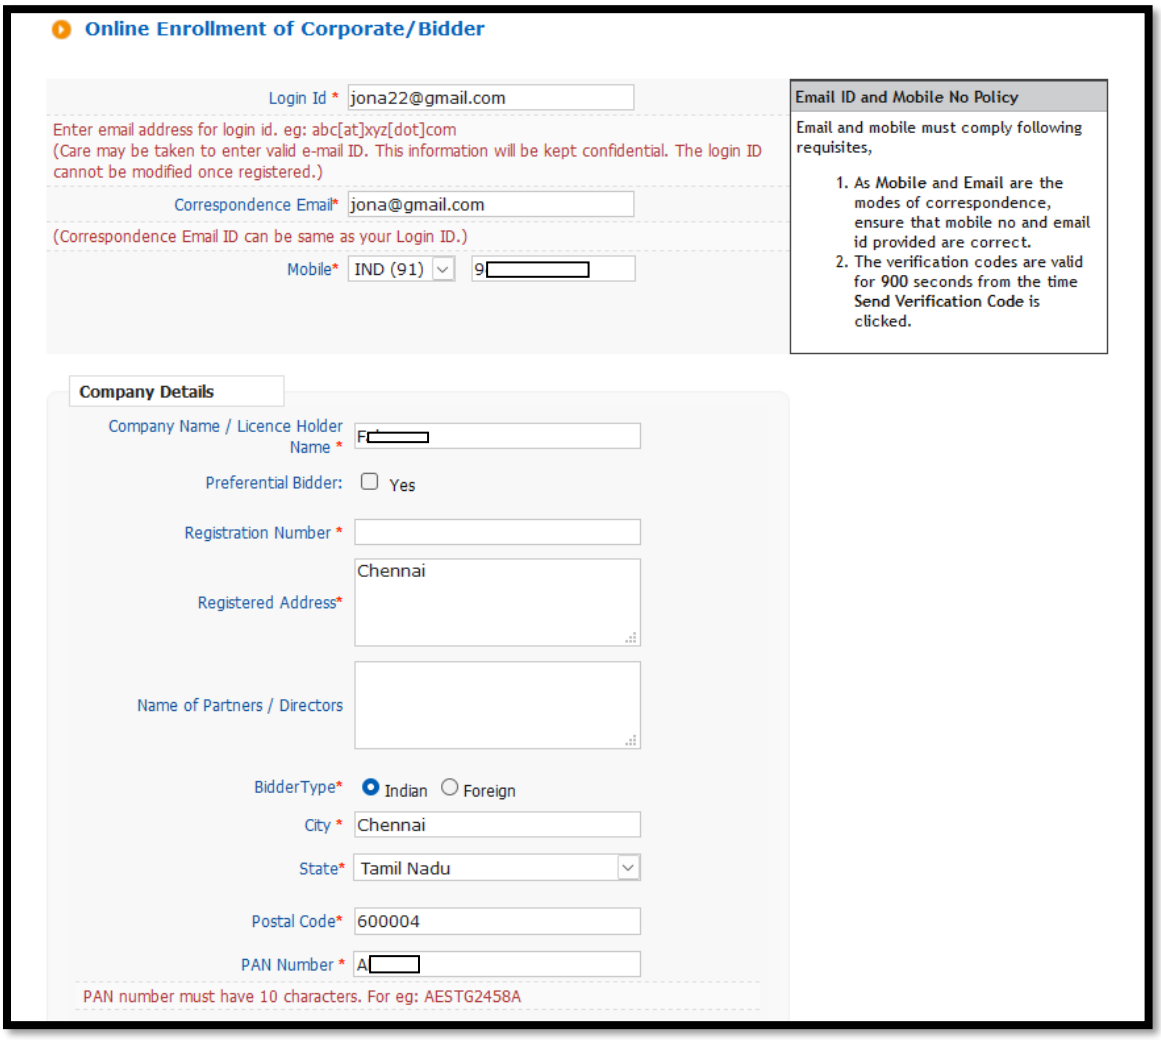

2. Fill out the Enrollment Form:

- You will need to provide basic information, including:

  Login ID, Correspondence Email Address, Contact Number and Other relevant details.

- The Login ID should be in the format of an email address. It does not need to be an active email ID, but it should be name-based, not designation-based. Once registered, the Login ID cannot be modified.

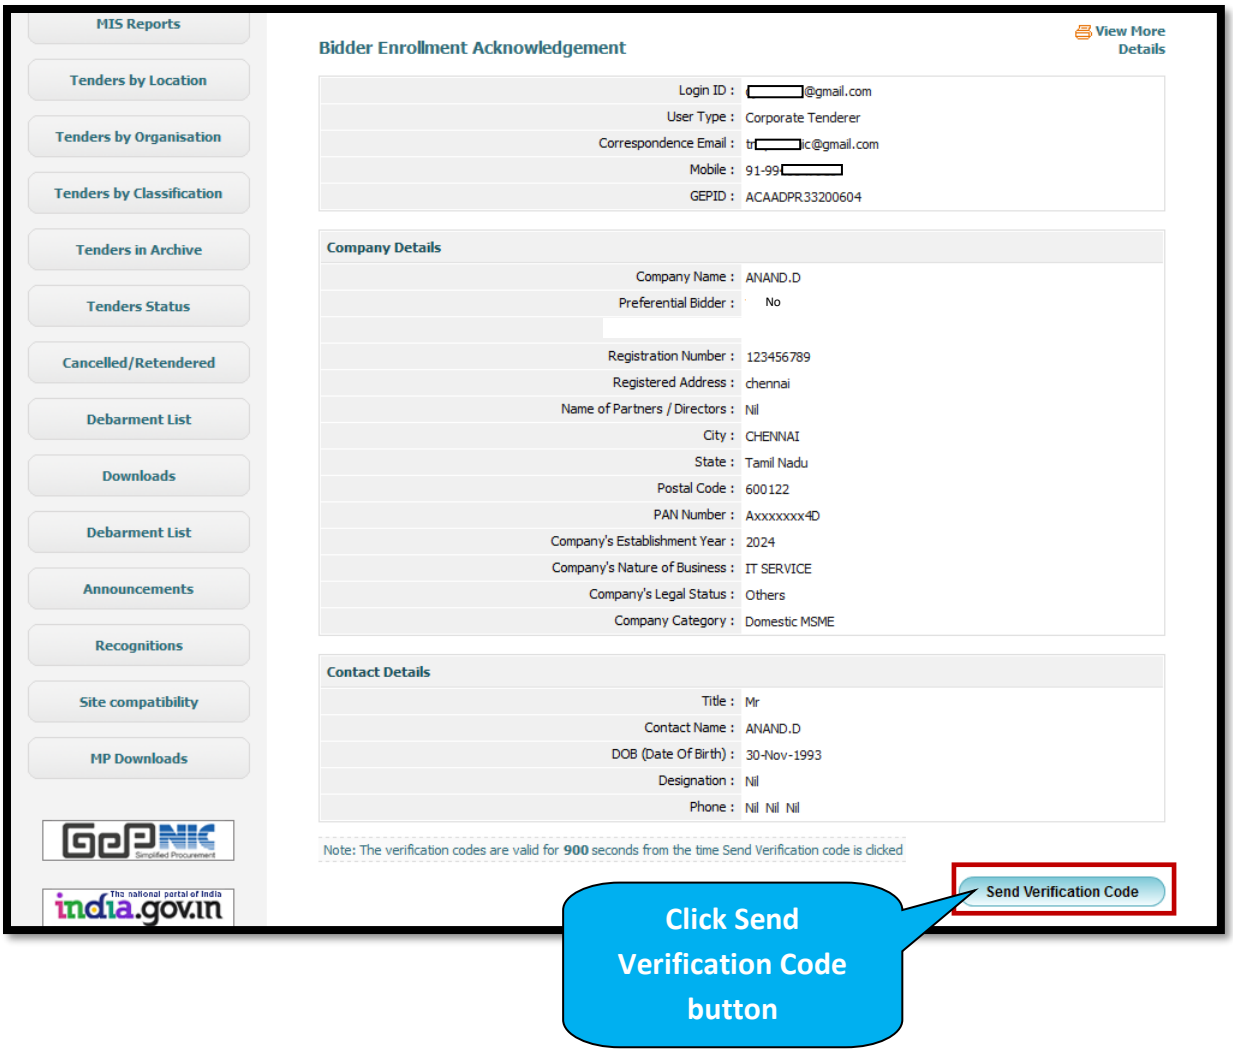

- Carefully review the information and submit the form.

- Fields marked with a red asterisk (*) are mandatory and must be completed.
- Once registered, the company name cannot be changed by the bidder. To modify the company name, the bidder must contact the application administrator.
- After filling in all the required fields, click the **Submit** button to save your entries and submit the bidder enrollment details.

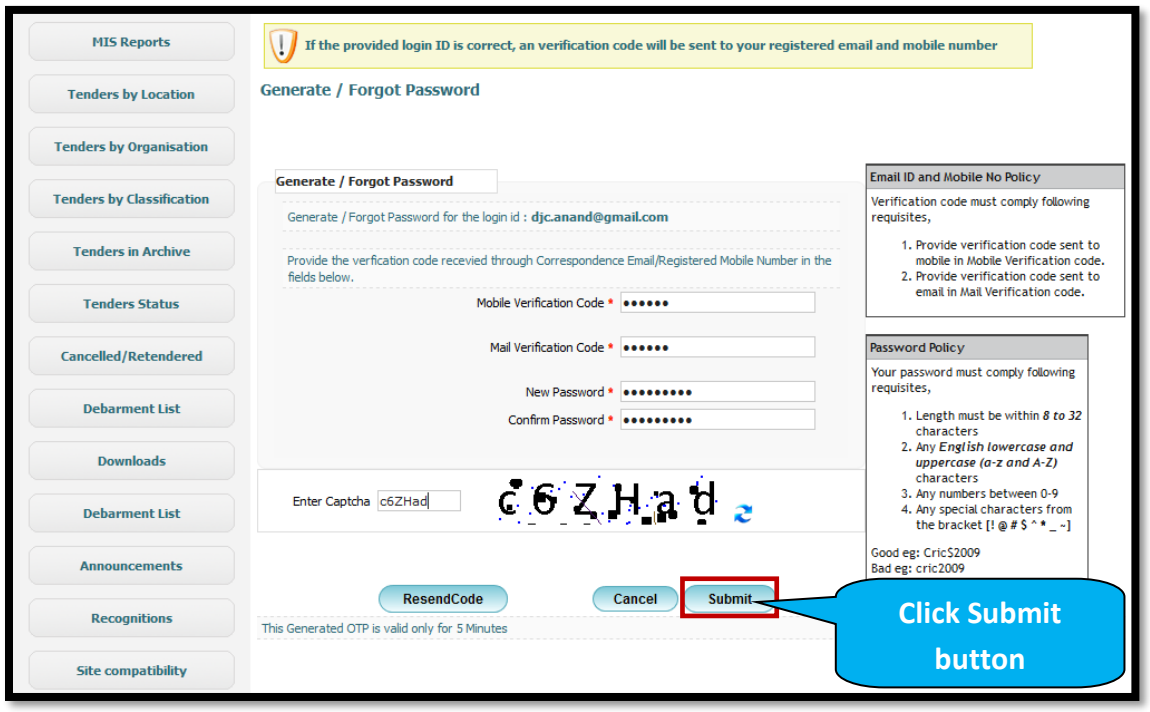

After submitting the form, an acknowledgement screen will be displayed. Review the details carefully, then click the **Send Verification Code** button to verify the provided information and send verification code for the registered email and mobile number.

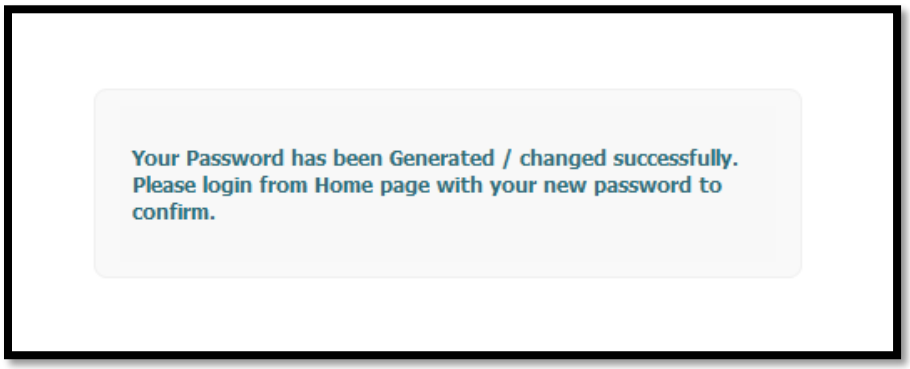

3. Password Generation

- If the provided Login ID is correct, a verification code will be sent to your registered email address and mobile number. Enter the verification code received on your mobile number and email in the respective fields provided.
- Create a password that is between 8 and 32 characters long and includes a combination of alphabetic and non-alphabetic characters.
- Confirm the password by re-entering it.
- Enter the Captcha code and click the **Submit** button to proceed.

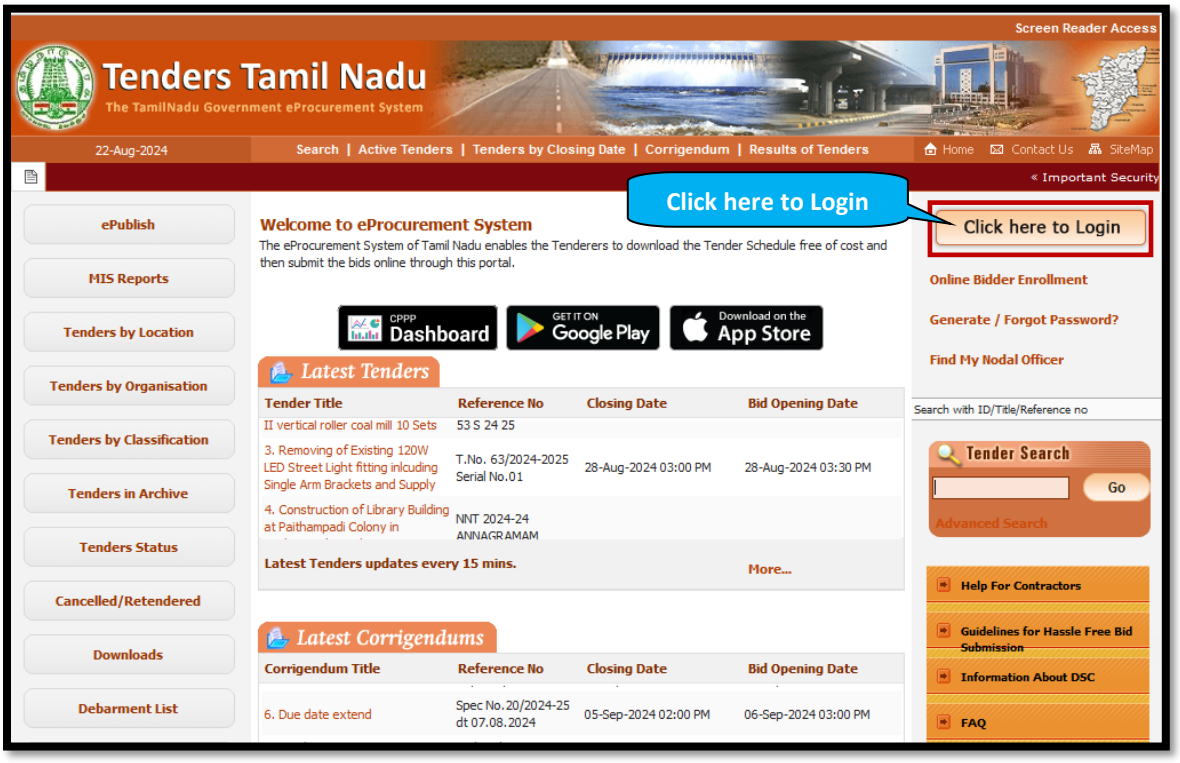

Once the new password is generated, a success message will be displayed.

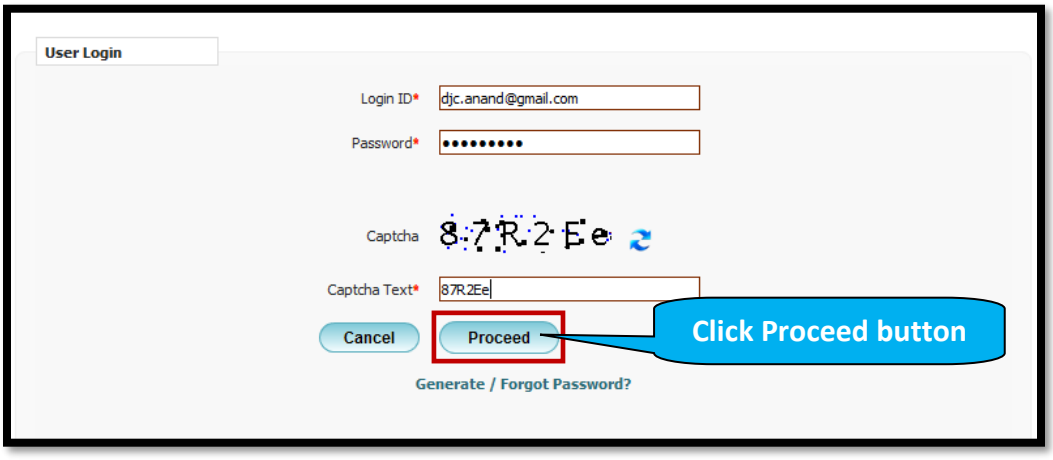

4. First time login & DSC mapping

Home Page of Government eProcurement System of NIC. The registered bidder can login into the portal by clicking the **Click here to Login button.**

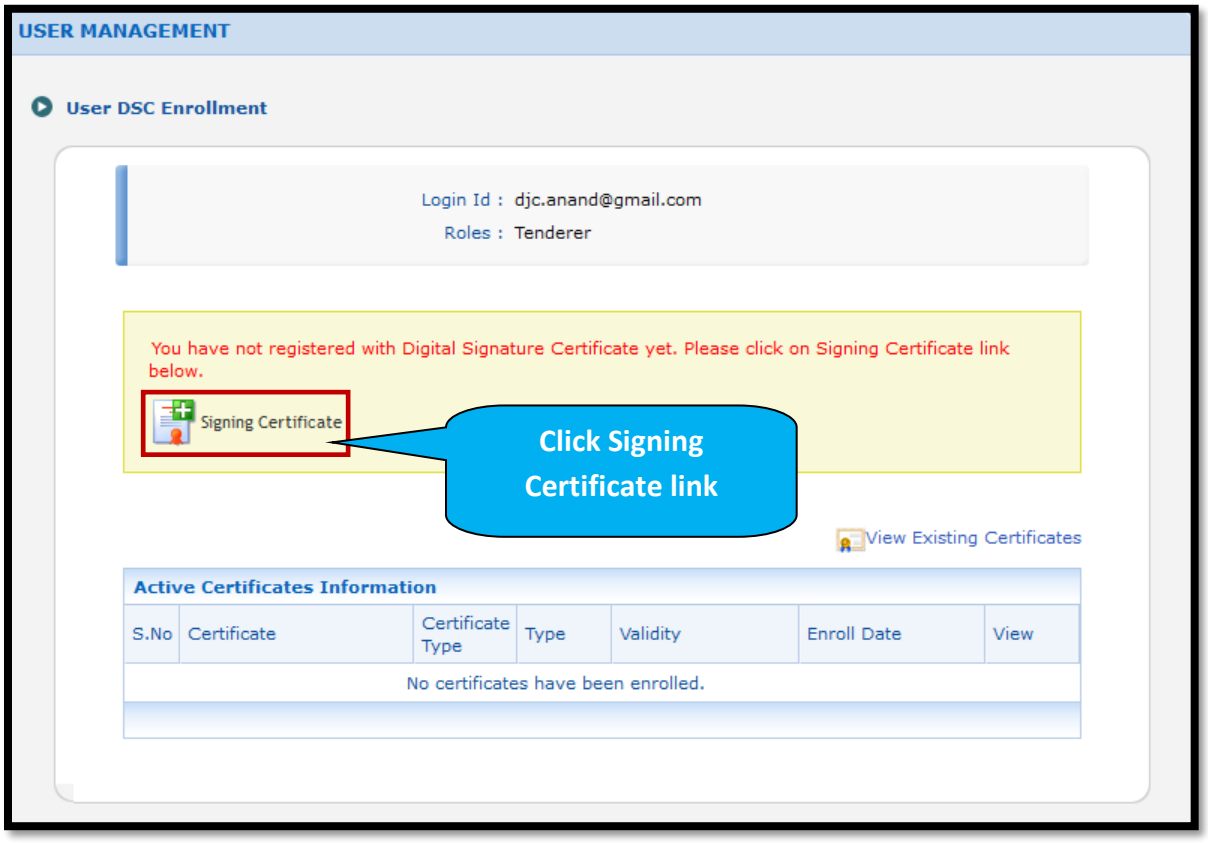

Registered Bidder can be login into the portal by providing the login ID, Password, Captcha and click the **Proceed** button.

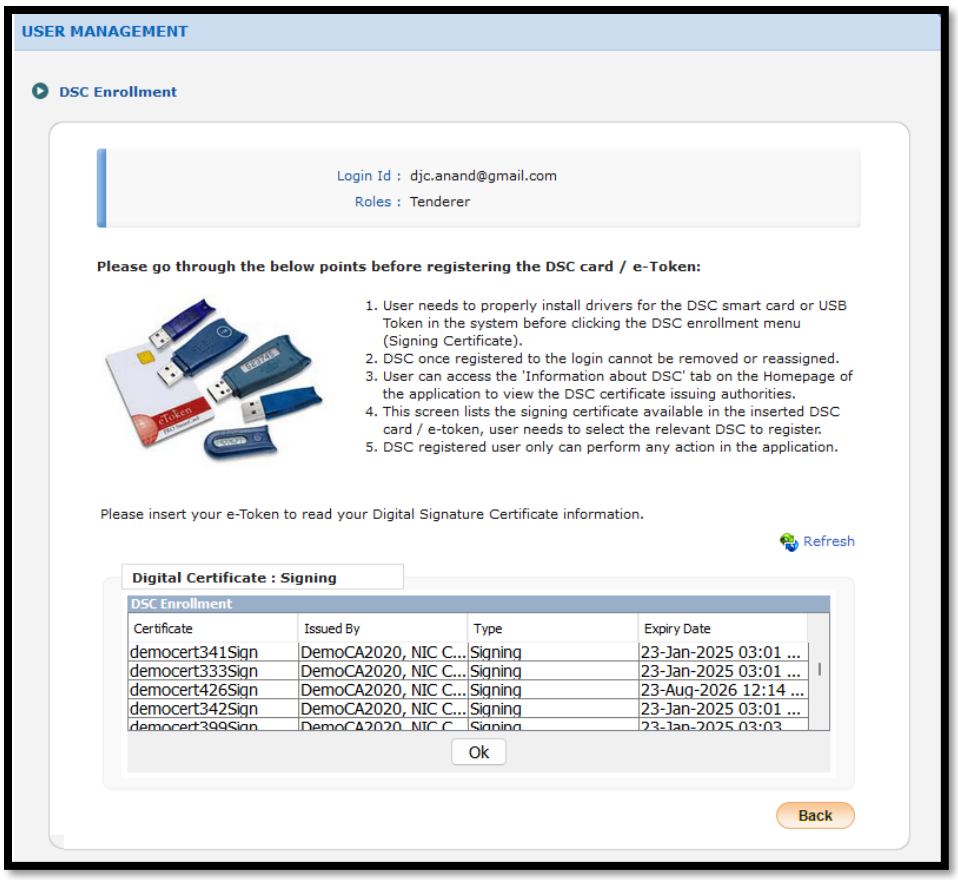

On clicking the next button, the system navigates to the User DSC Enrollment page. During the first time login, the bidder must map their Digital Signature Certificate (DSC) to the respective Login ID.

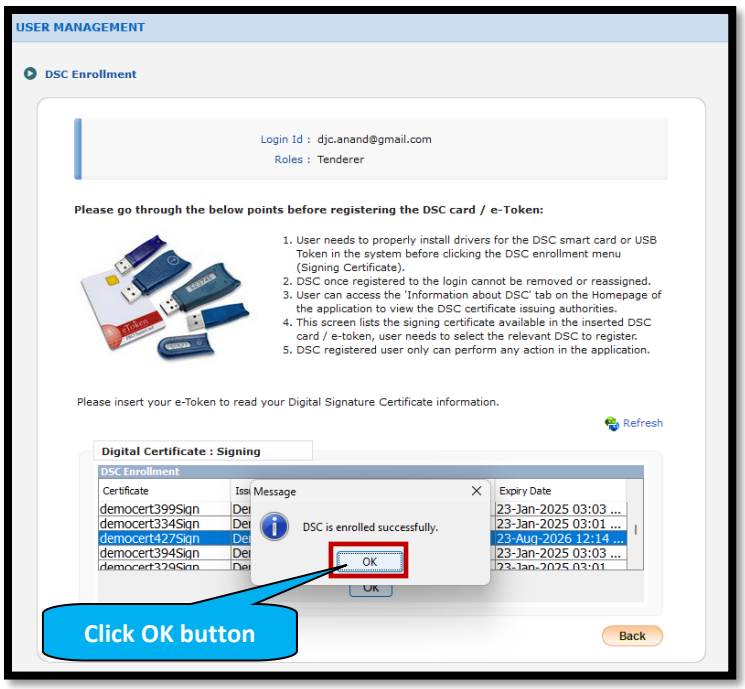

Click on the "**Signing Certificate**" link to begin the DSC mapping process.

From the list of available signing certificates, select the one that needs to be mapped to the provided Login ID. Click the OK button to register with the DSC.

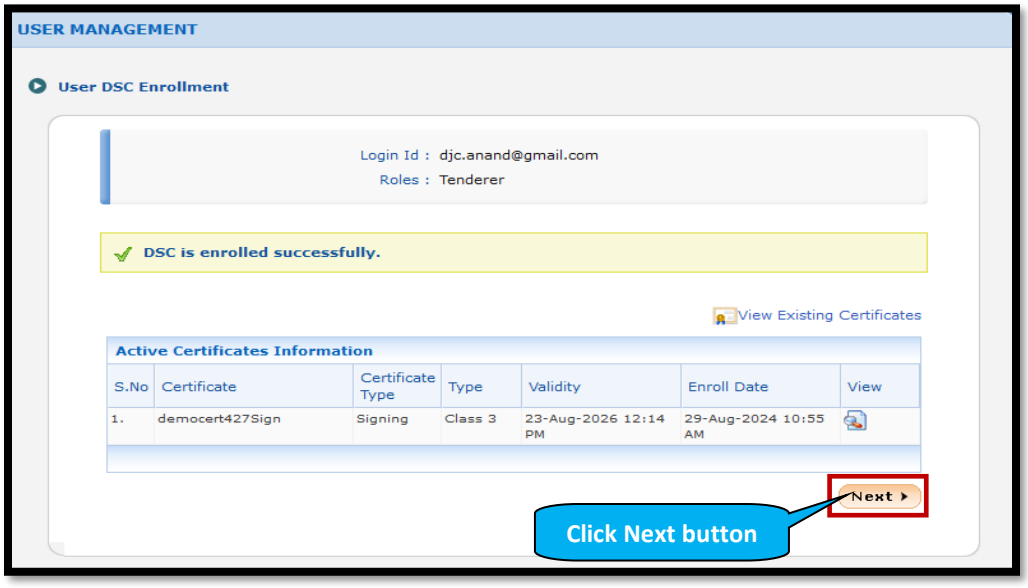

Once the DSC is mapped correctly, a success message will be displayed. If the selected DSC is already mapped to another Login ID, an error will occur.

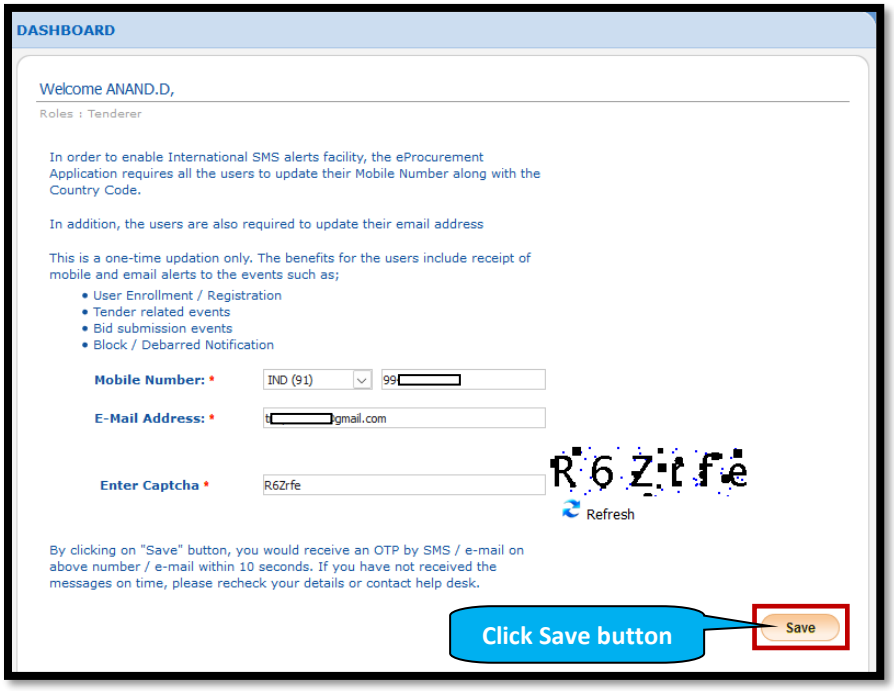

After successfully mapping the DSC, the certificate will be displayed. Certificate information including certificate type, validity date and enrollment date is listed in User DSC Enrollment page. Click the "Next" button to proceed further.

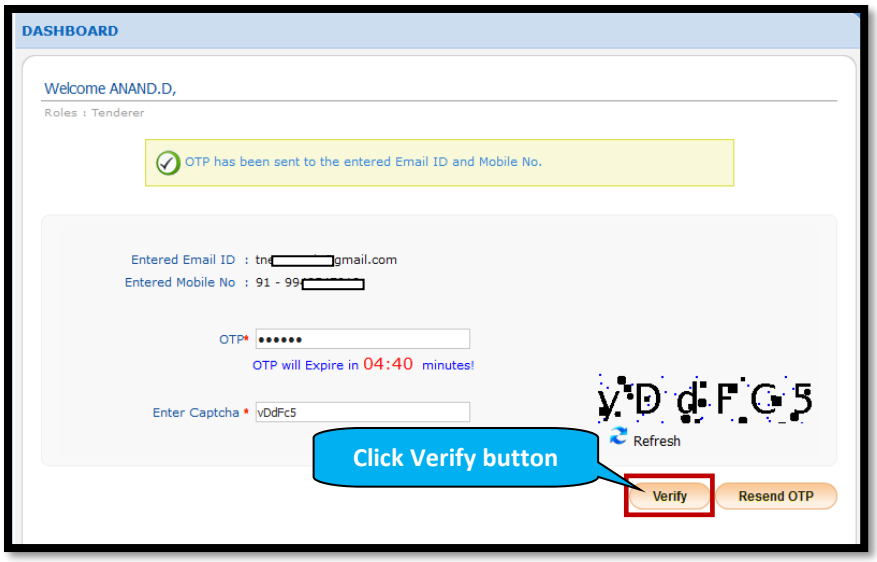

Note: For bidders, only the signing certificate is necessary. Unlike department users, bidders do not require an encipherment certificate.

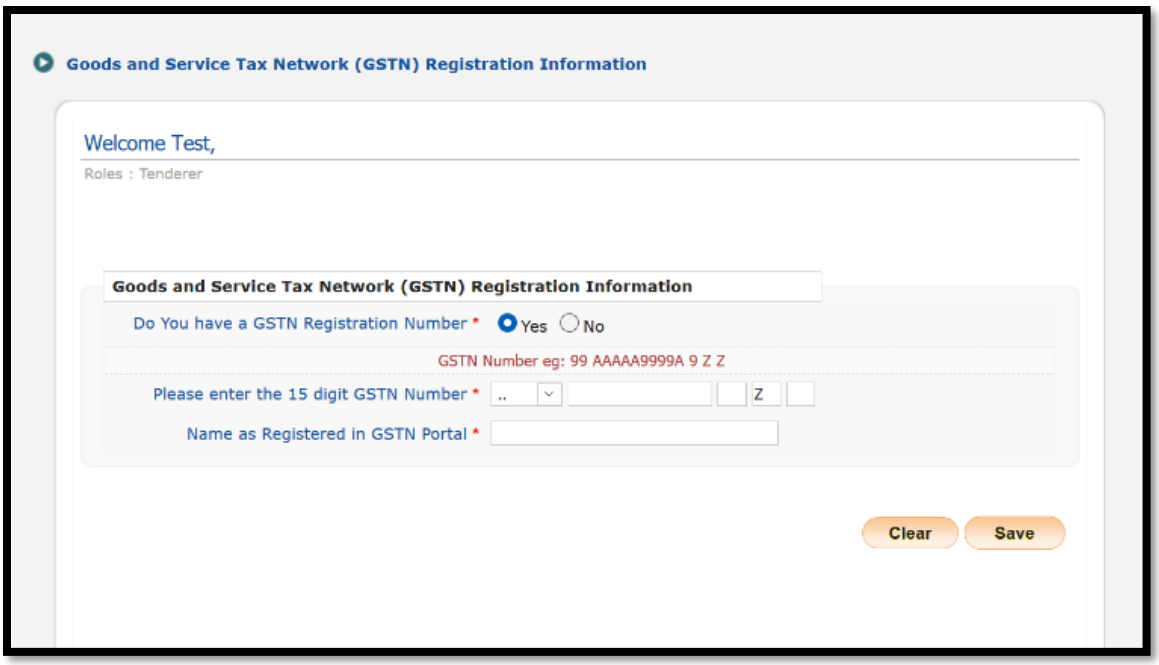

Provide your mobile number and email address, then enter the Captcha code. Click the "Save" button to receive an OTP. If you do not receive the OTP promptly, please recheck the provided details.

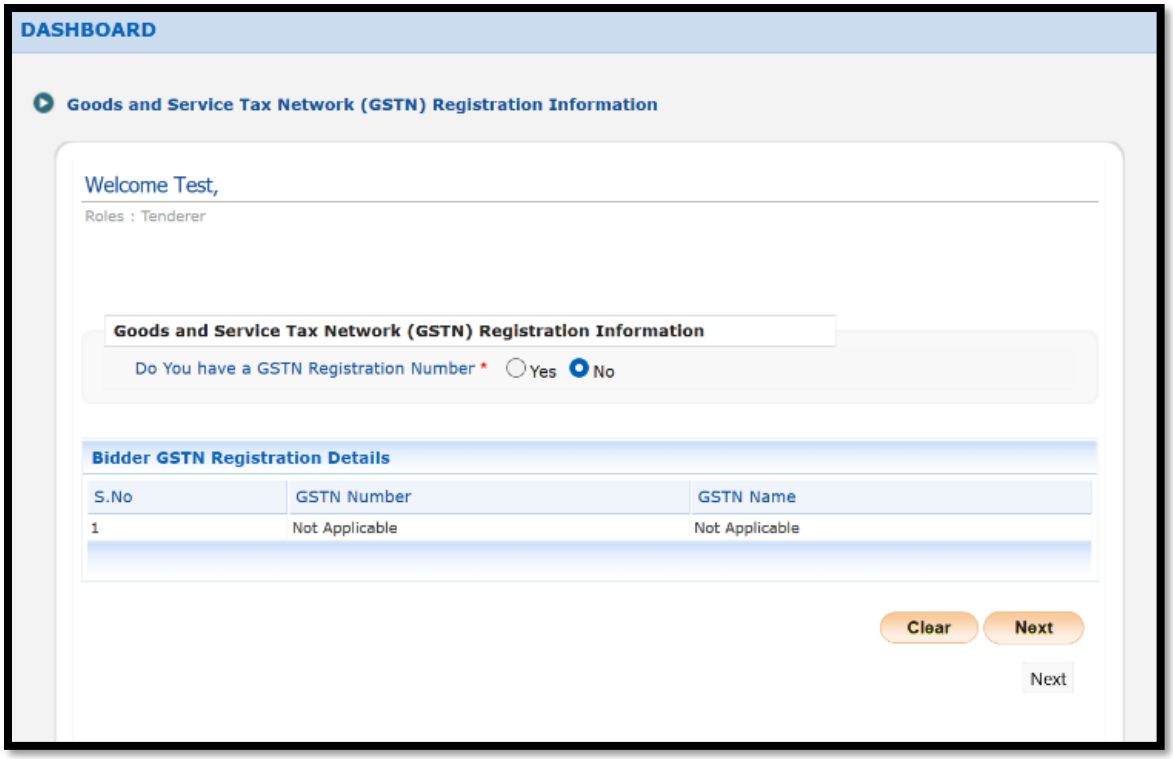

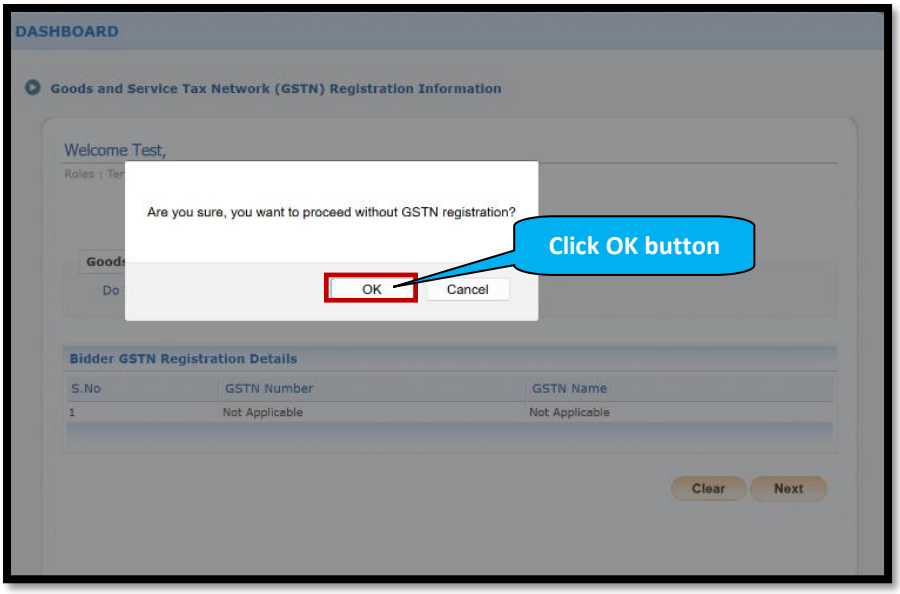

Enter the OTP sent to your email address or mobile number and the Captcha code. Click the "Verify" button to complete the registration process.

If the bidder has GSTN Registration number, click on the yes radio button and enter the GSTN number, otherwise click no radio button and proceed further

3.2 Preferential Bidder Enrollment

- If the bidder is preferential bidder select the check box against preferential bidder field and also select preferential category from the drop down to enroll as preferential bidder.

Screen - 1

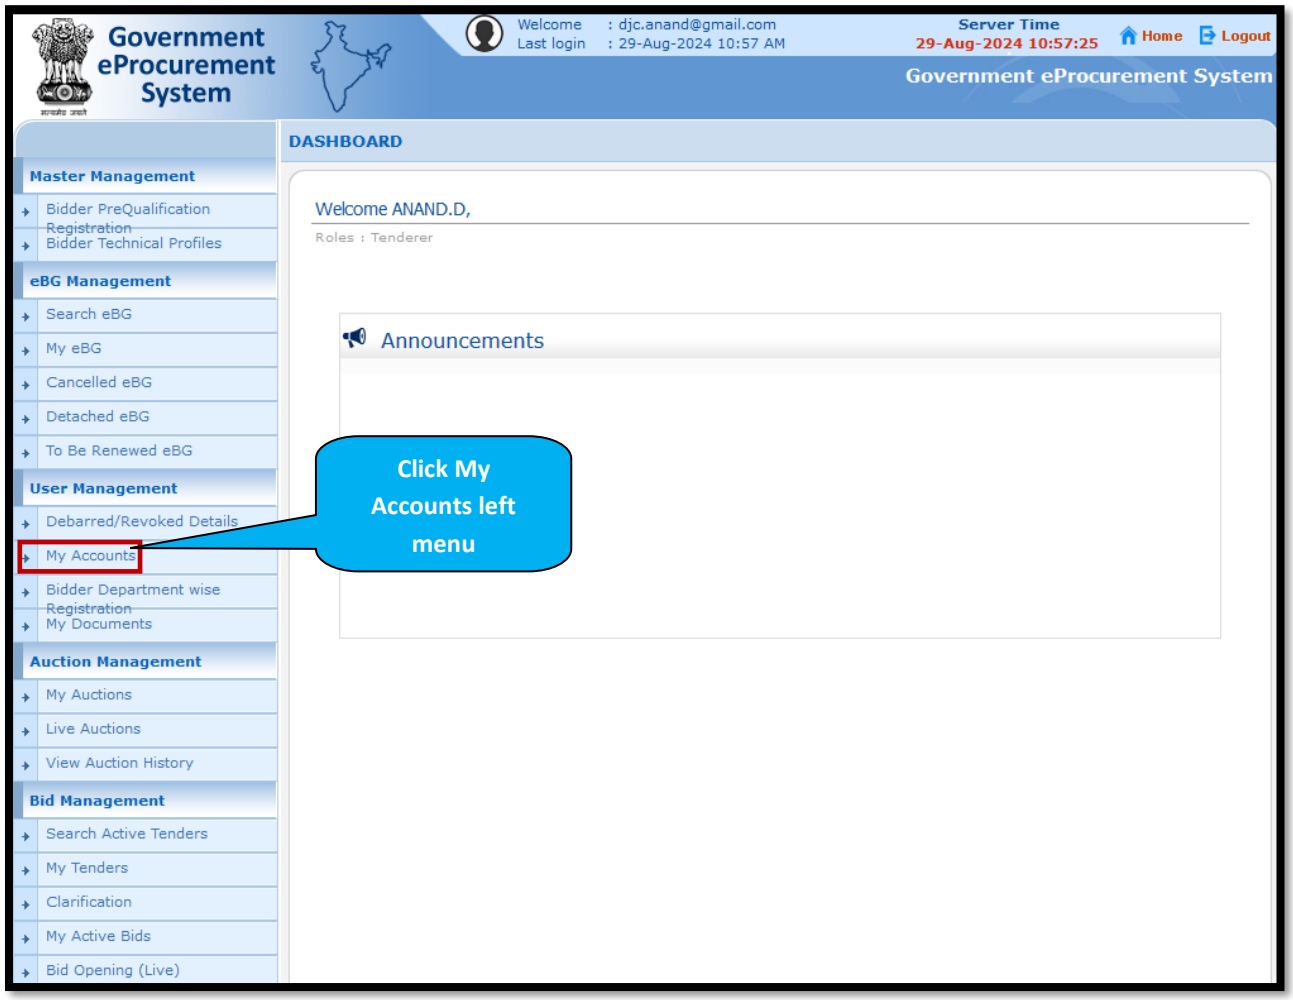

- Fields marked with a red asterisk (*) are mandatory and must be completed.
- Once registered, the company name cannot be changed by the bidder. To modify the company name, the bidder must contact the application administrator.
- After filling in all the required fields, click the **Submit** button to save your entries and submit the bidder enrollment details.

Screen - 2

4. User Management

Once the DSC registration has been completed bidders dashboard with all menus gets enabled. Click on the **My Accounts** left menu to check bidder's account details.

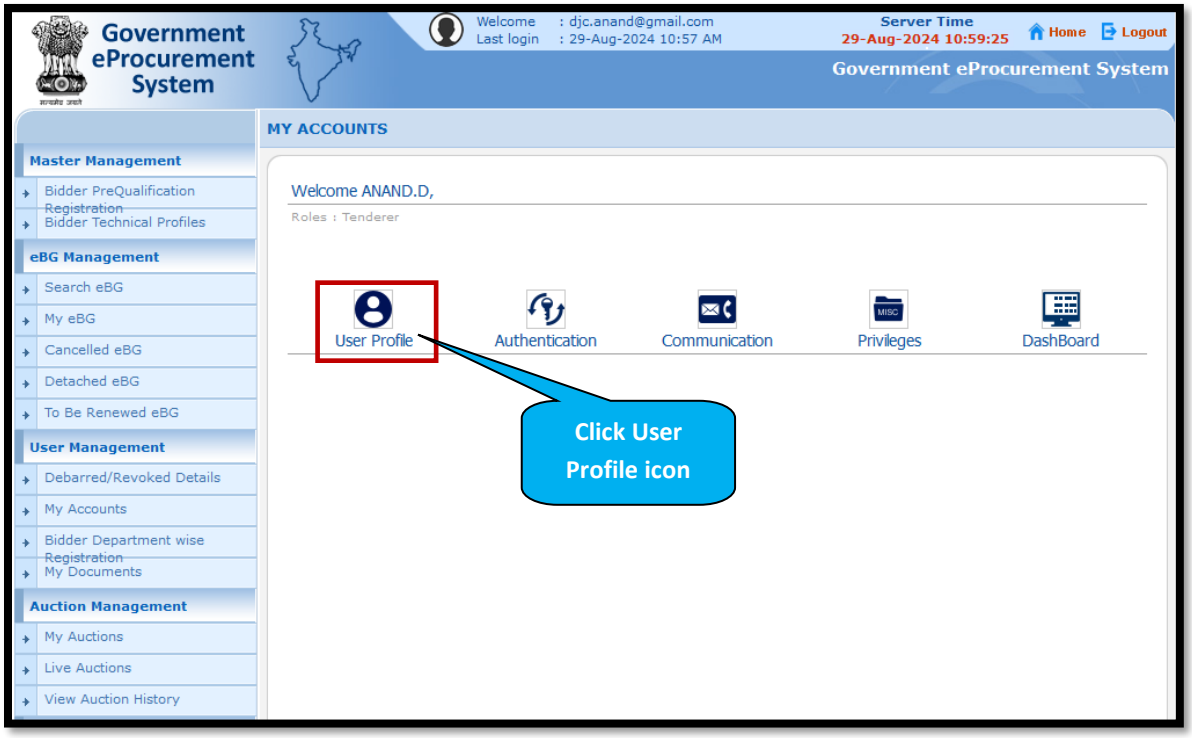

My Accounts menu contains the following icons:

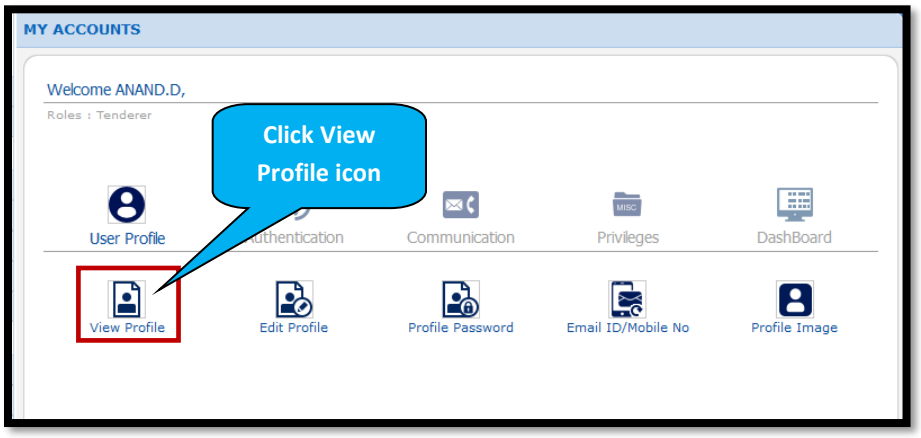

- User Profile
- Authentication
- Communication
- Privileges
- Dashboard

4.1 User Profile

Click on the user profile icon to view user's profile details

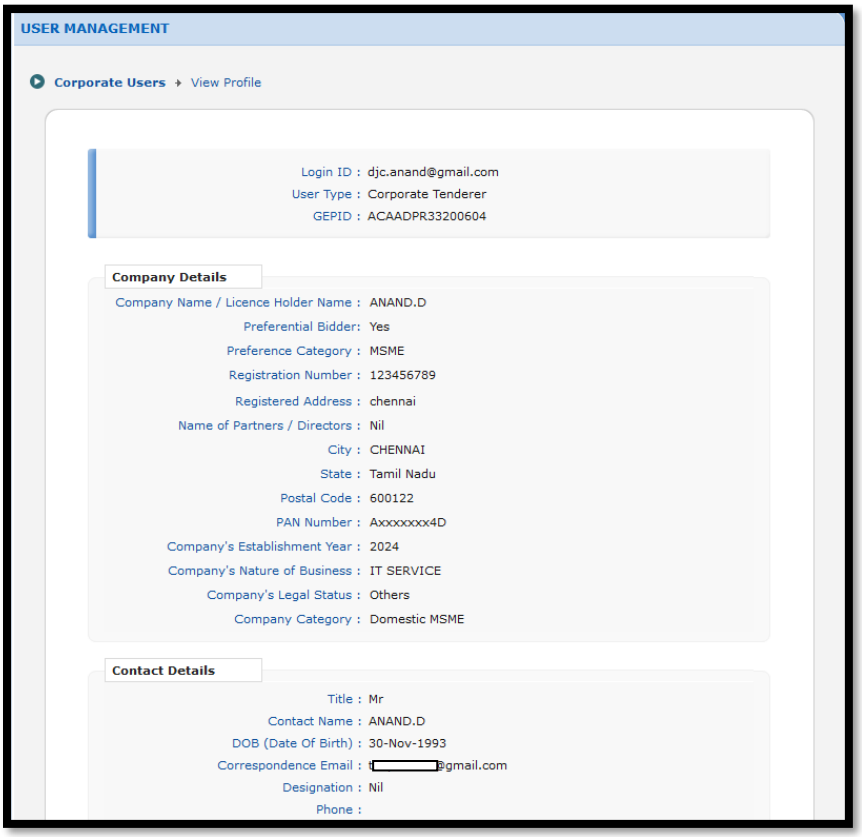

View Profile icon is used to view bidder's profile details.

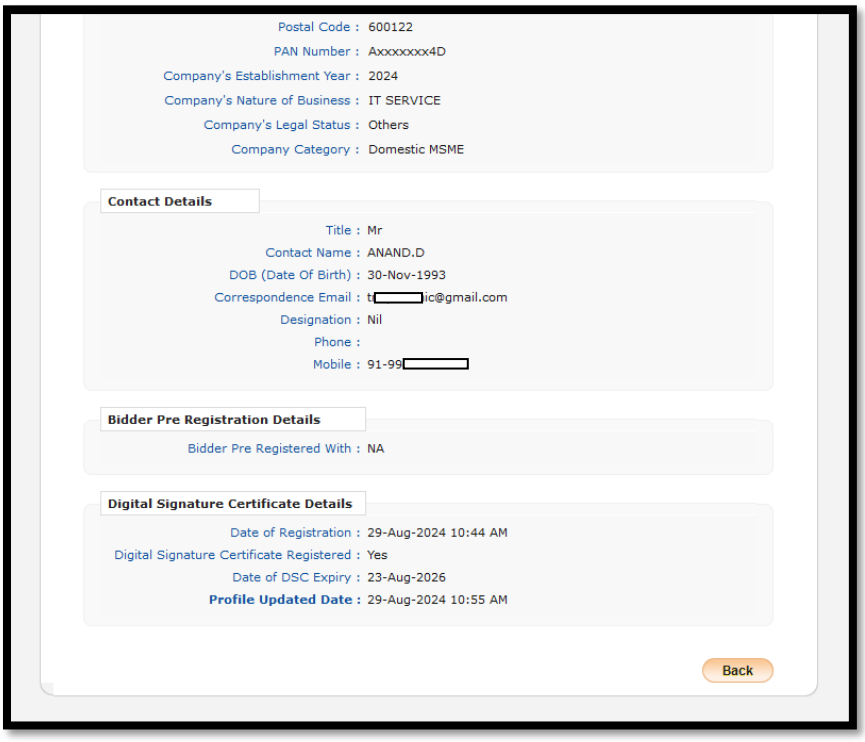

View profile icon contains bidder's company details, Contact details and Digital Signature Certificate details.

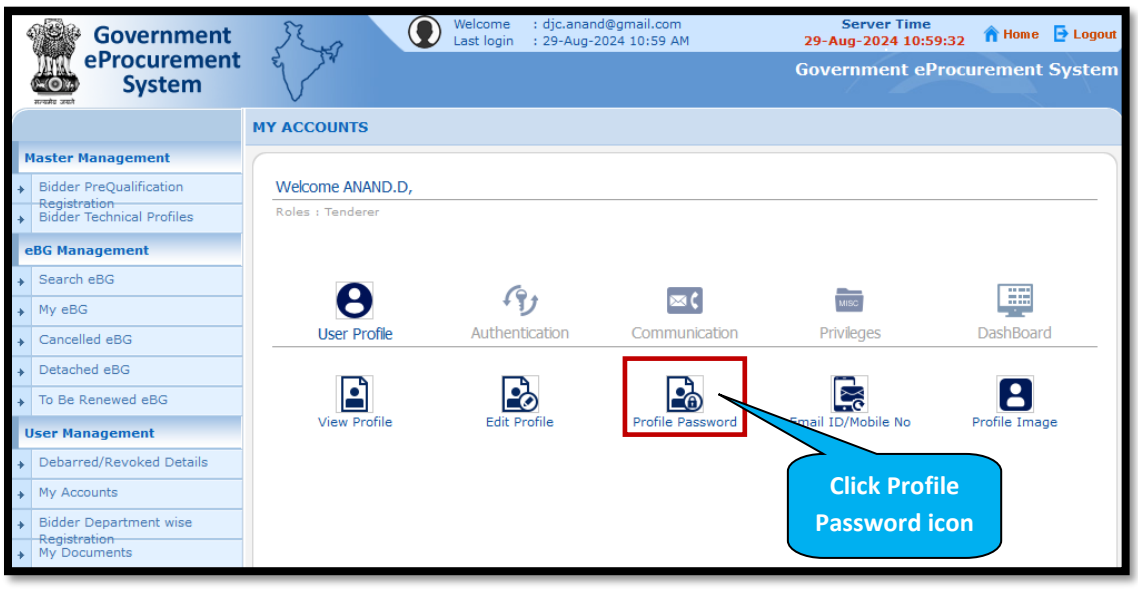

Screen - 1

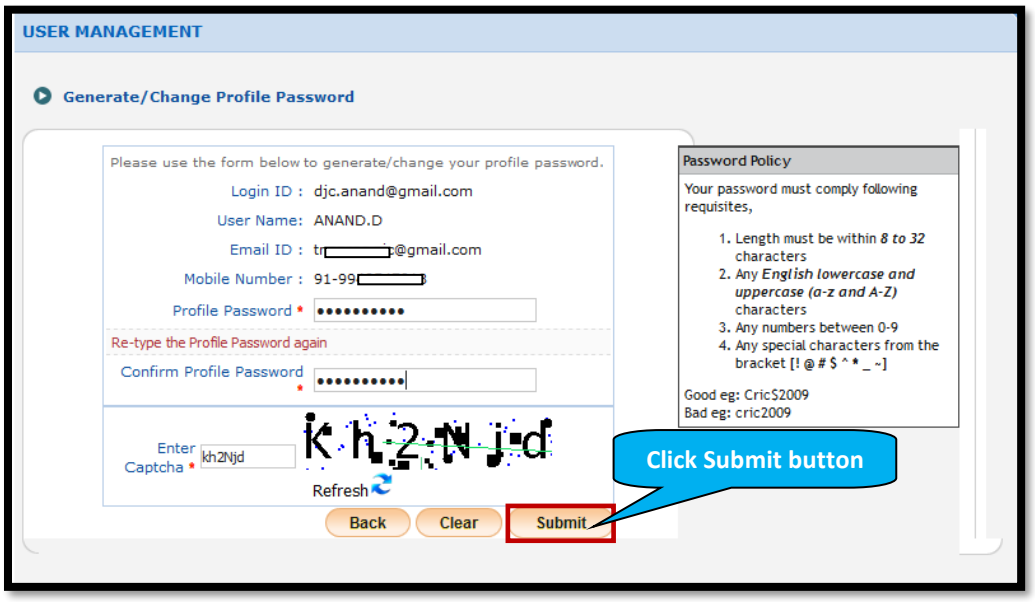

Screen - 2

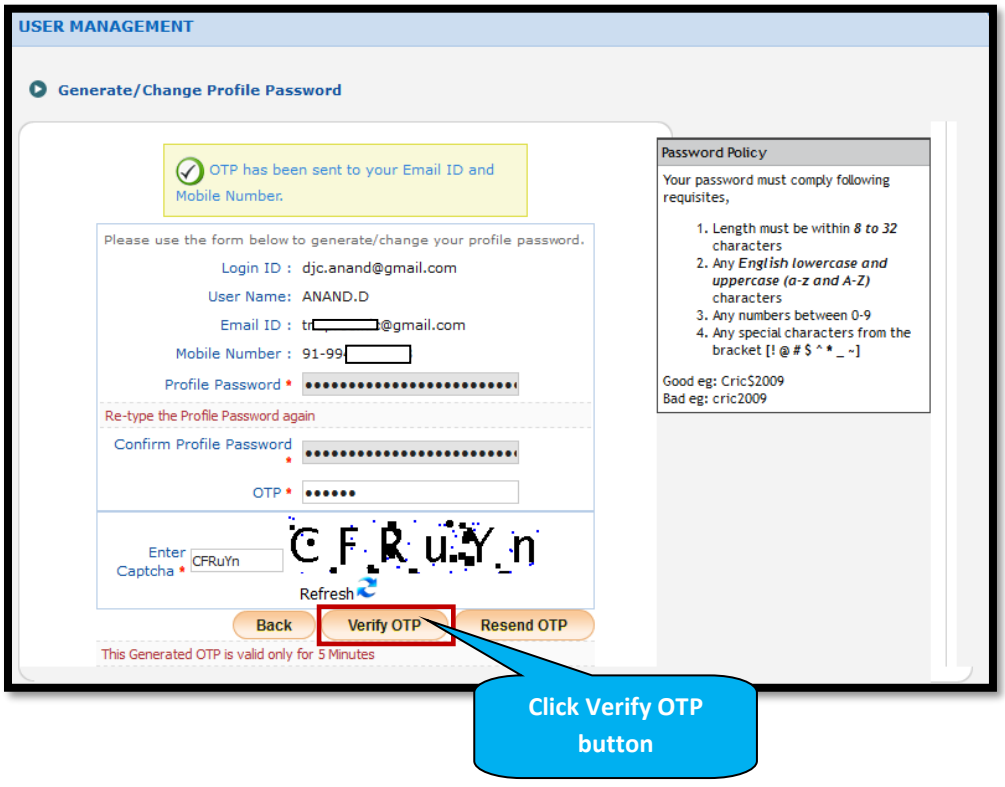

Profile Password icon is used to change new profile password.

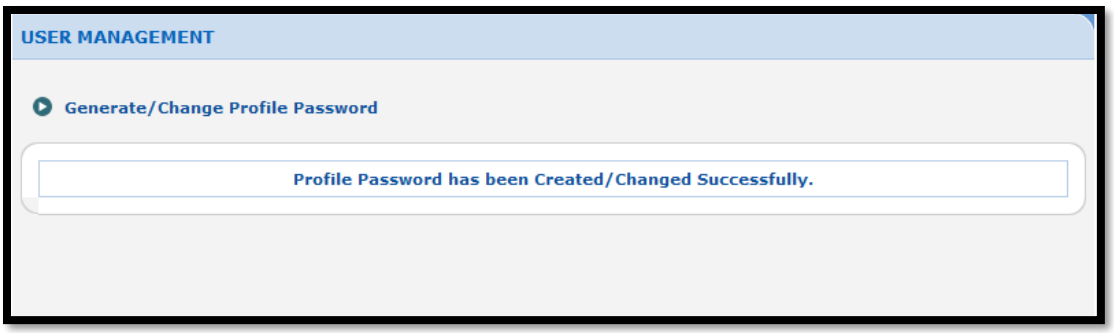

Set new profile password and confirm the password by re-entering and click Submit button to submit the new profile password. Once the submit button is clicked, OTP will be send to bidder's registered email ID and mobile number.

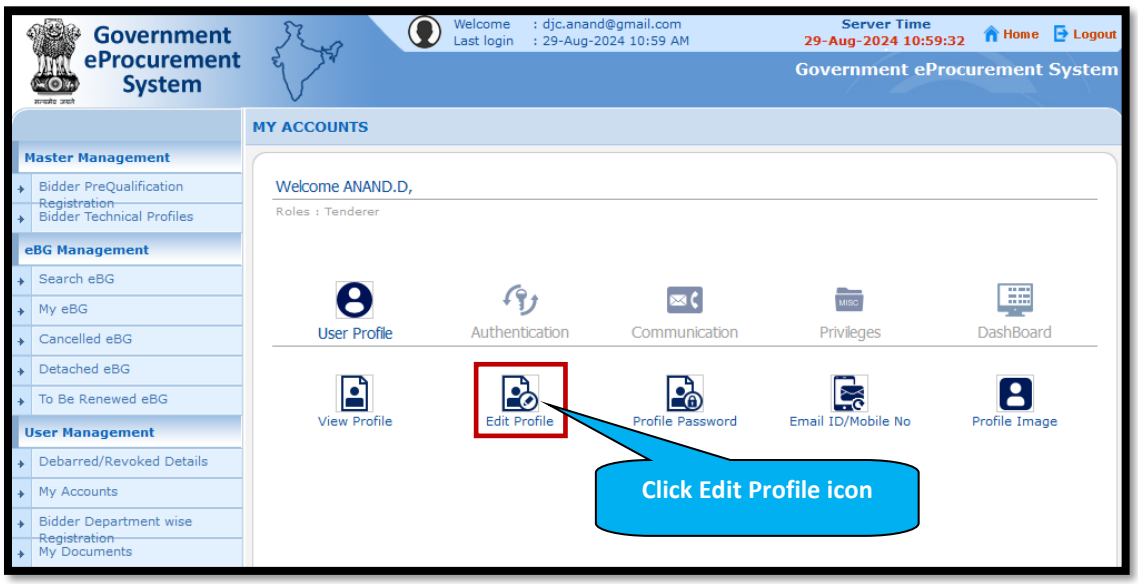

Provide the OTP received to bidder's registered email ID and mobile number and click Verify OTP button for verification.

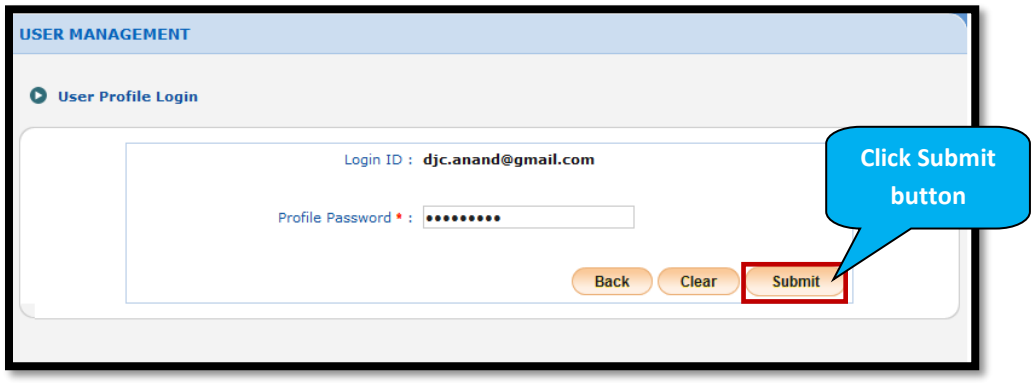

After OTP verification is completed, the profile password will be changed, and a success message will be displayed.

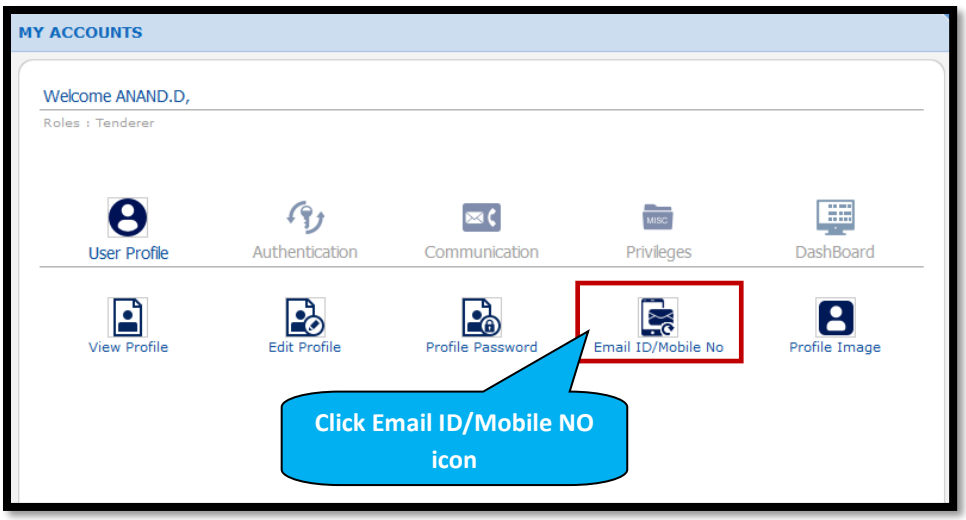

Edit Profile icon is used to edit bidder's profile details.

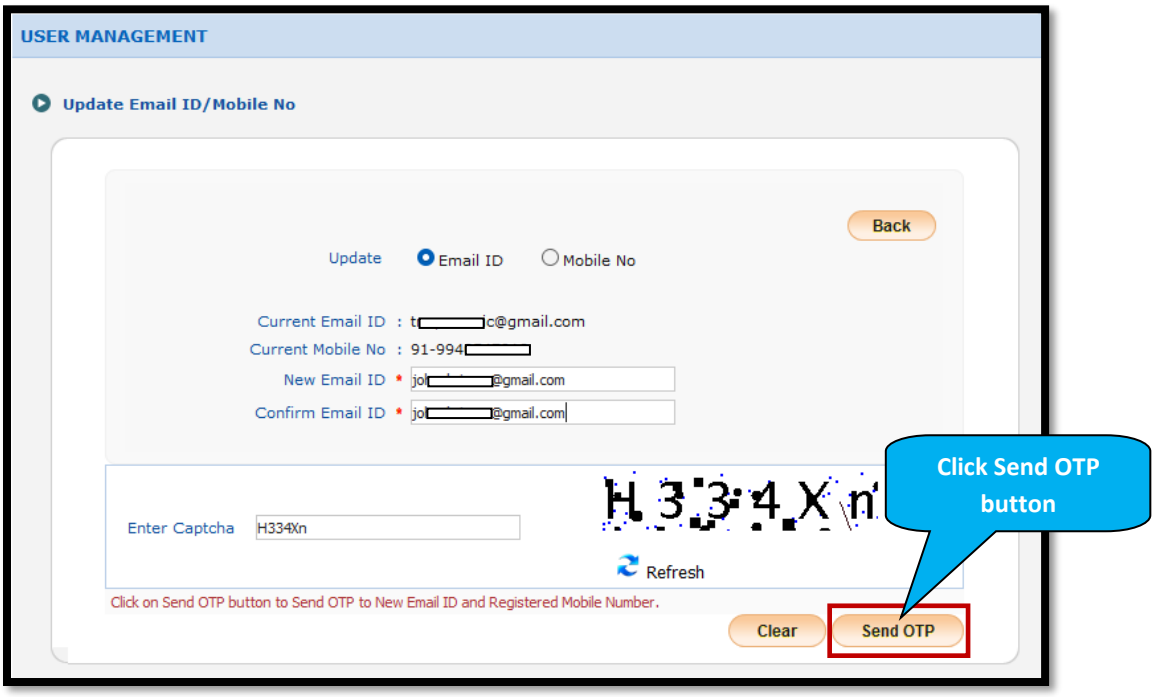

Bidder has to provide profile password and click Submit button to save the profile details.

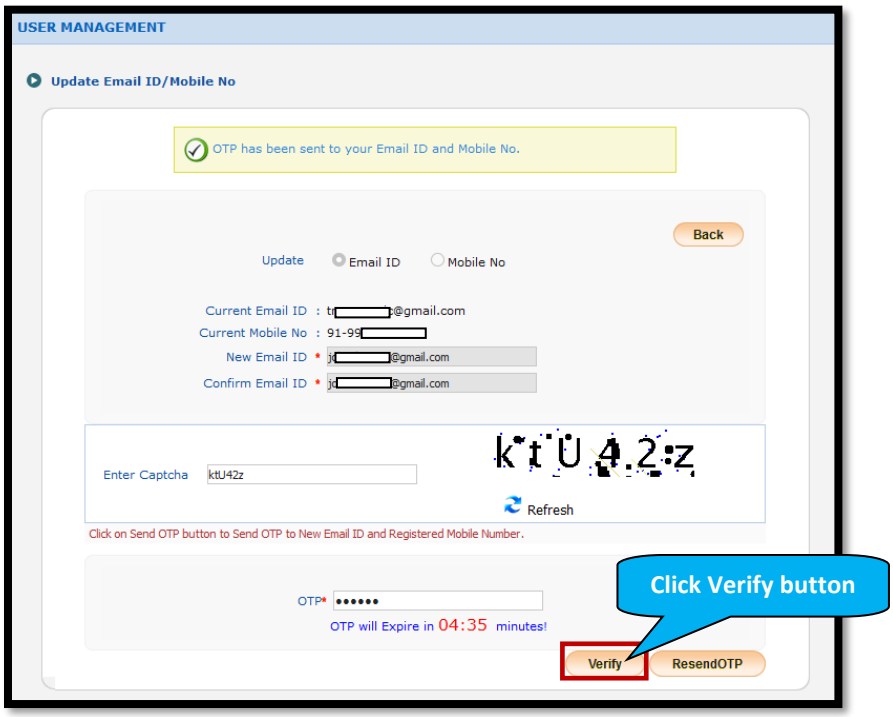

The Email ID/Mobile No. icon is used to update the bidder's email ID and mobile number.

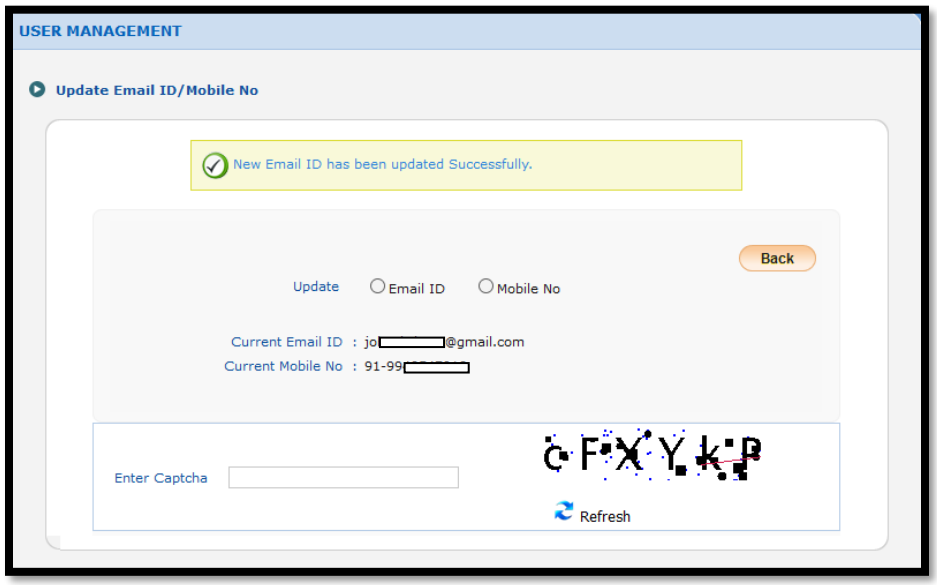

To change the email ID, click the radio button next to "Email ID," provide the new email ID, enter the captcha, and click the "Send OTP" button to receive the OTP.

The bidder must enter the OTP received via the registered email ID and mobile number. Click the "Verify" button to verify the entered OTP. If the OTP is not received, click the "Resend OTP" button to request a new one.

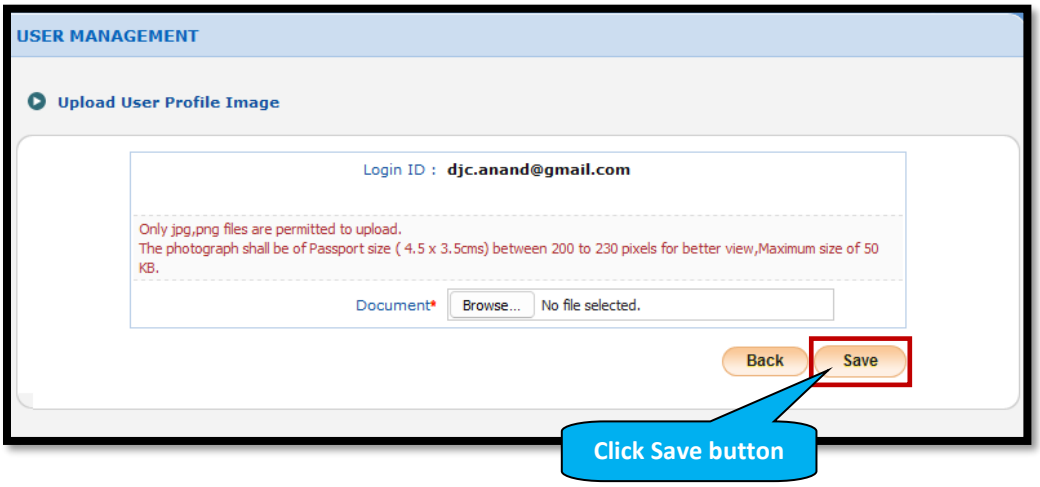

Once the OTP verification is completed, the new email ID will be updated successfully, and a success message will be displayed.

Profile Image icon is used to change profile picture of the bidder.

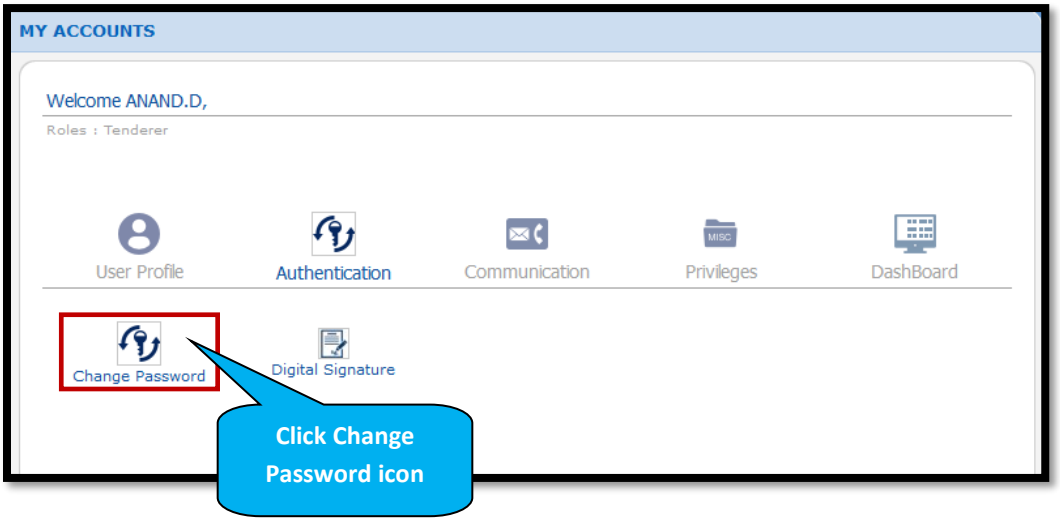

The bidder has to browse and upload the profile image to be changed, then click the "Save" button to save the uploaded image.

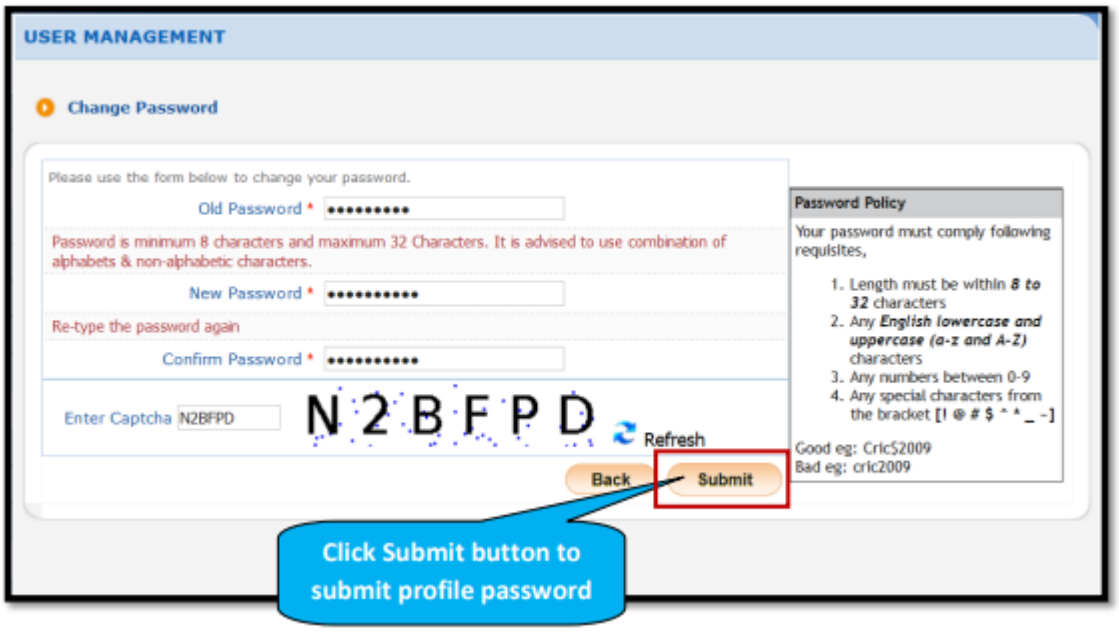

4.2 Authentication

Authentication icon contains

- Change password
- Digital Signature

Set a new profile password, confirm it by re-entering, and click the "Submit" button to submit the new profile password.

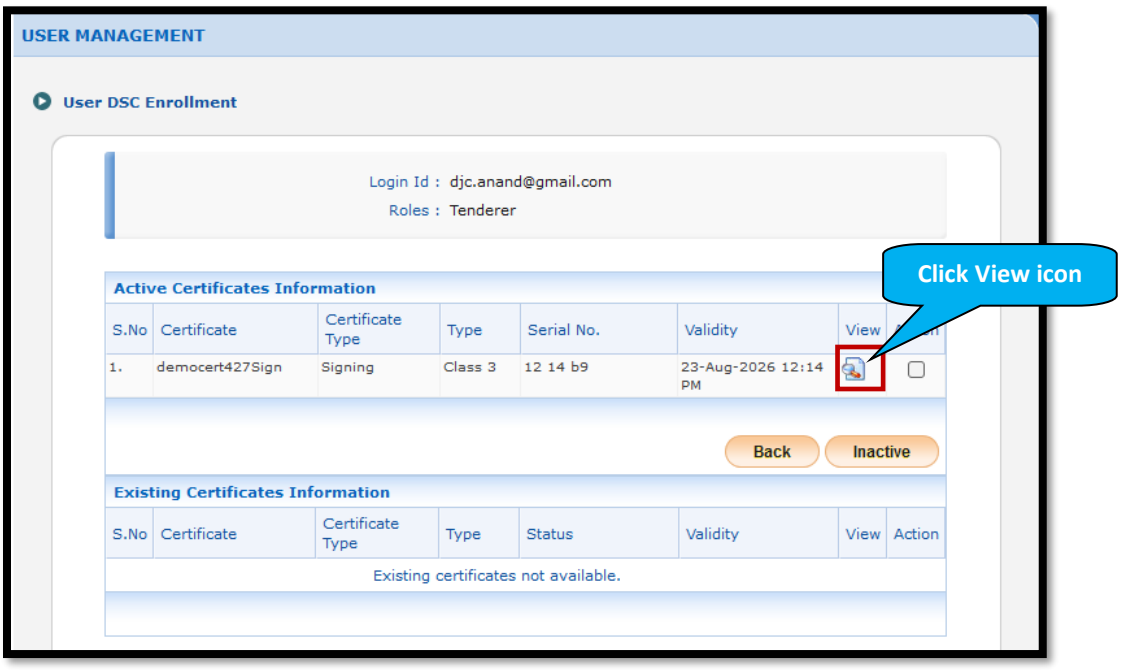

Upon clicking the "Submit" button, the password will be changed successfully, and a success message will be displayed.

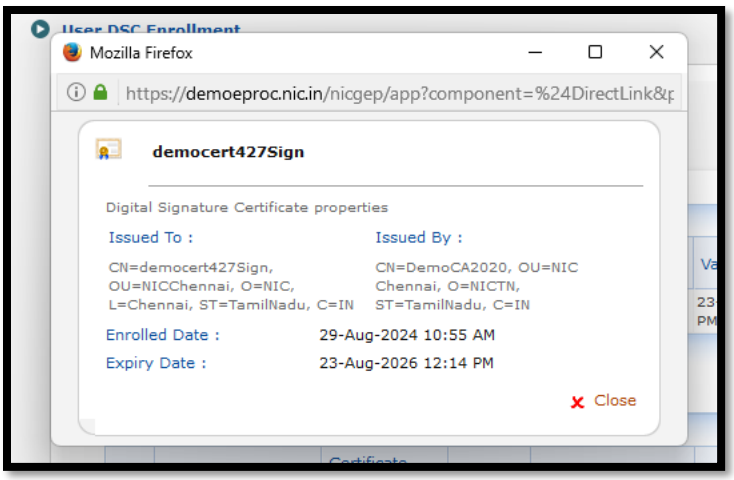

By clicking the "Digital Signature" icon, the DSC details will be displayed.

The digital signature icon contains the signing certificate details and the DSC can be inactivated.

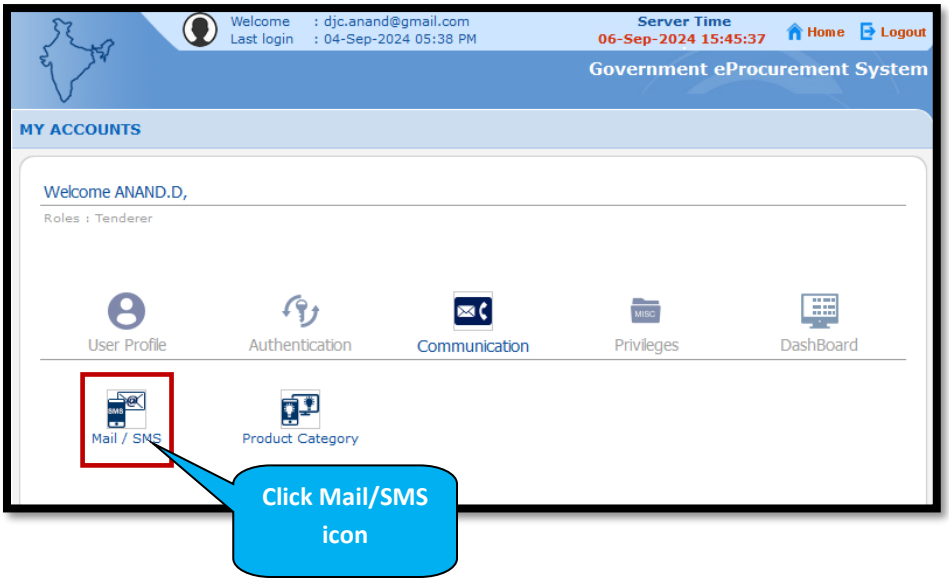

On clicking View icon certificate details become visible so bidder can view certificate details.

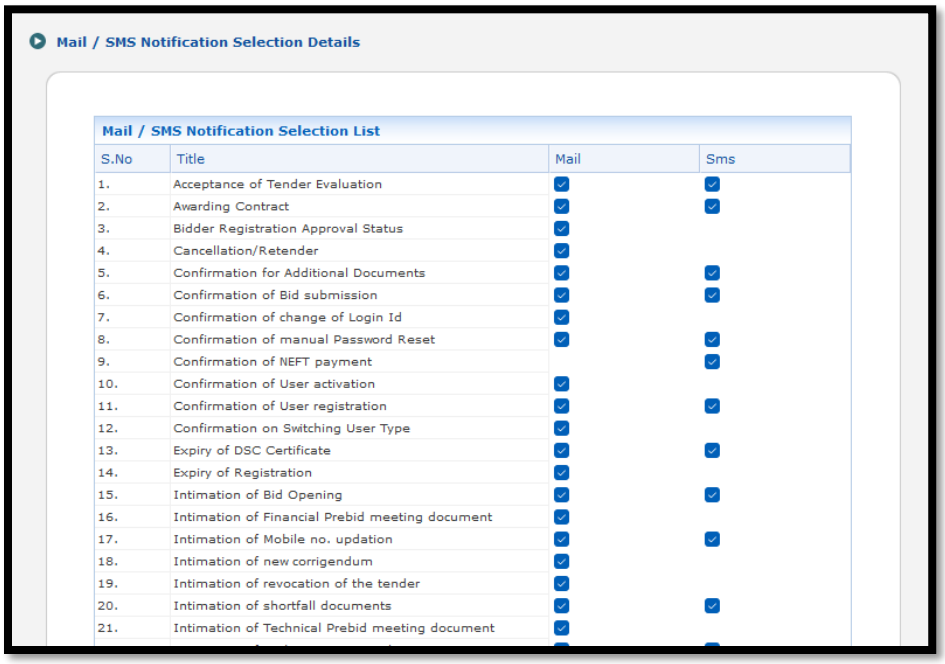

4.3 Communication

Communication icon contains details regarding Mail/SMS and product category. Mail/ SMS icon contains Mail/ SMS selection details.

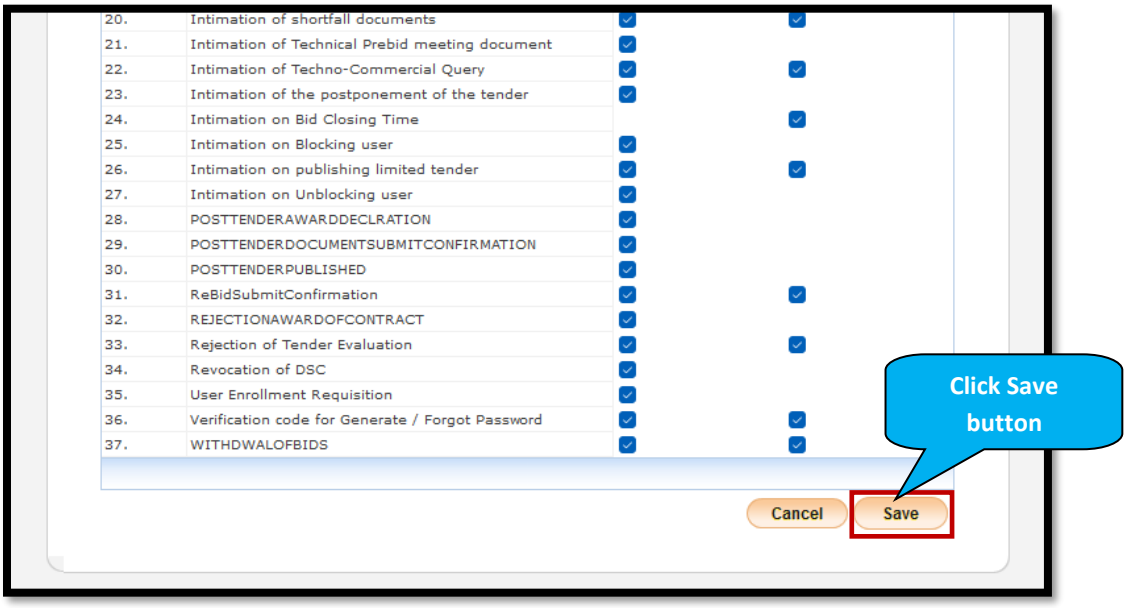

Select the category for which the bidder needs email/SMS notifications by checking the box, then click the "Save" button to save the details.

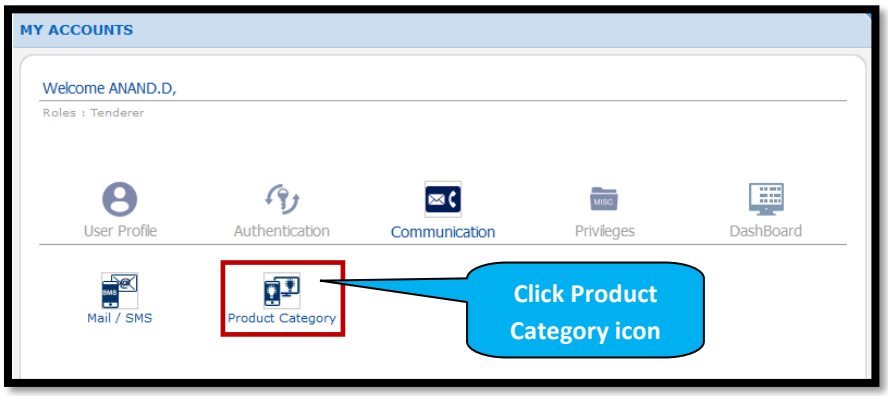

Screen - 1

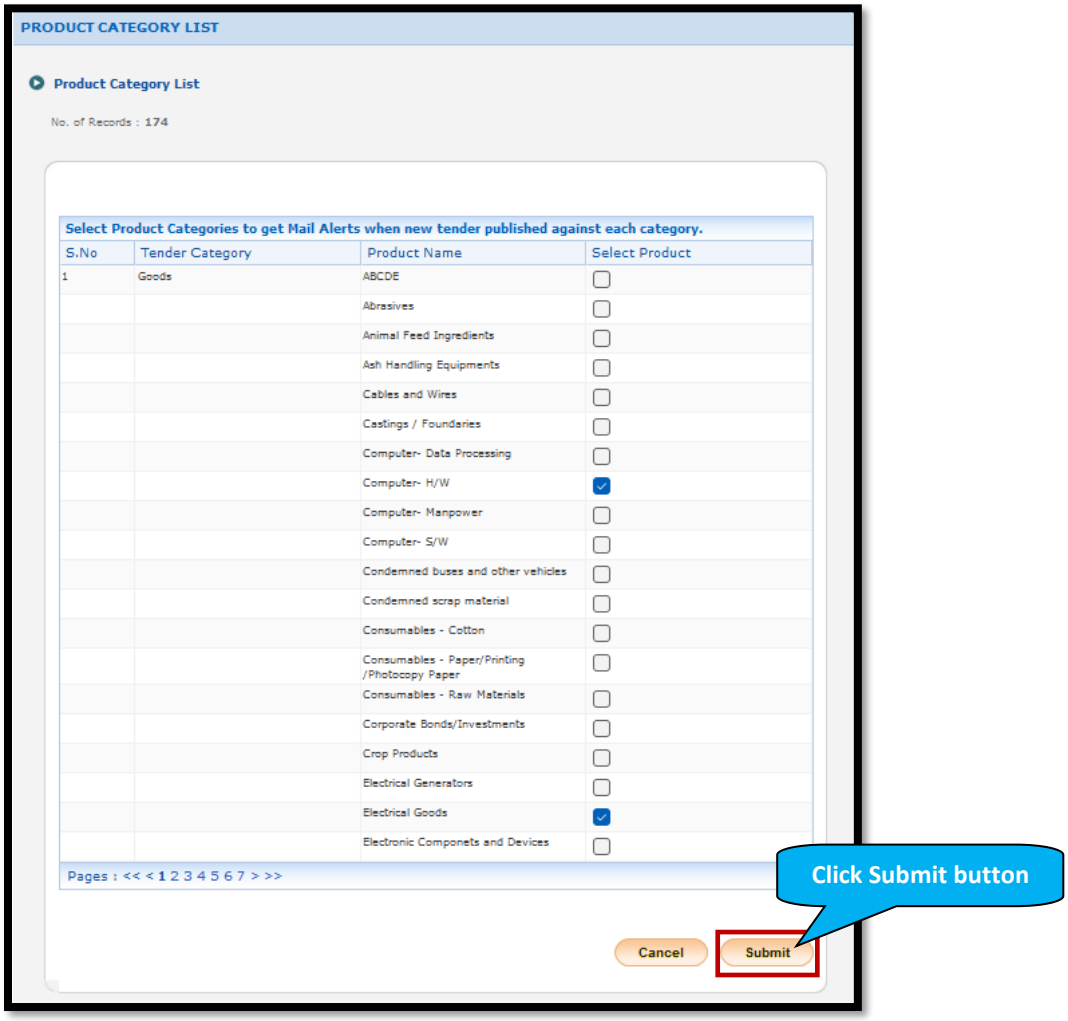

Screen - 2

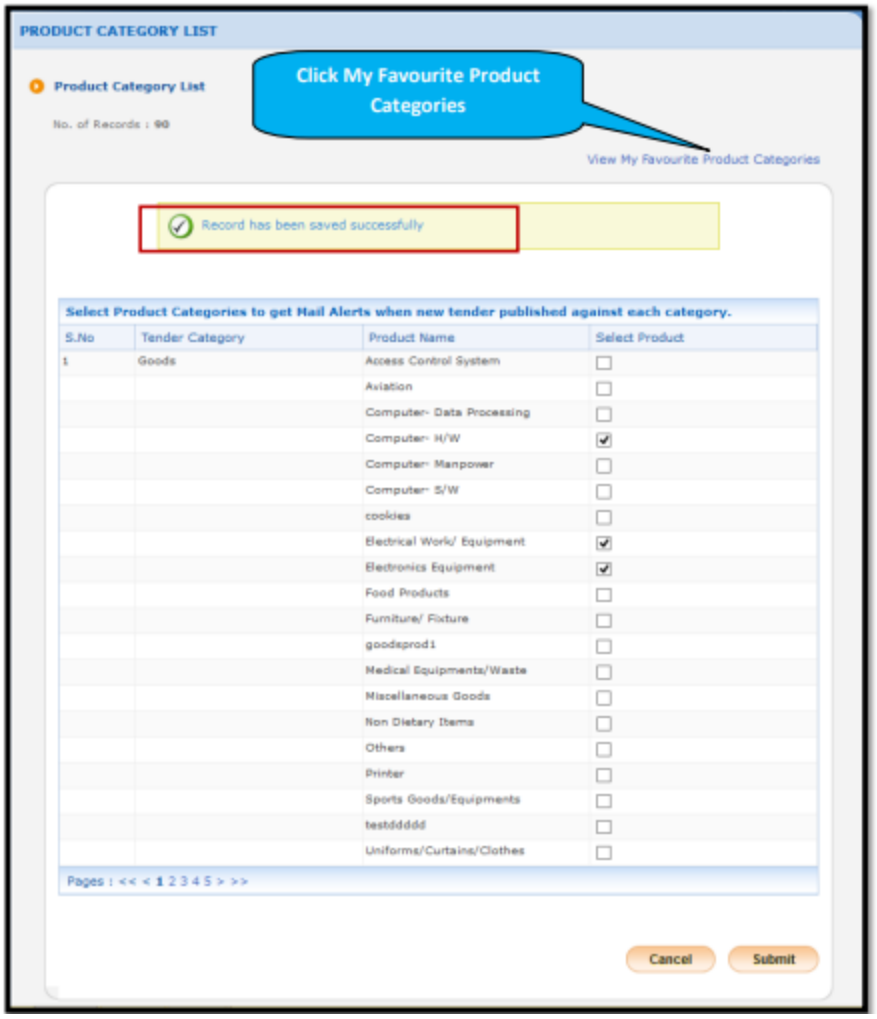

The Product Category icon contains the details of the product category.

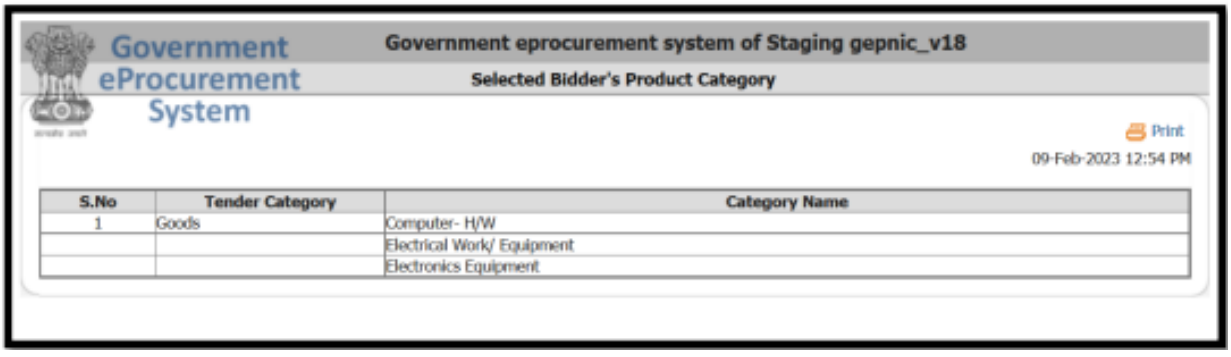

Select the product category the bidder needs by checking the box, and then click the "Submit" button to submit the details.

Click “View My Favorite Product Categories” to view the bidder’s product category details.

Bidder’s product category details.

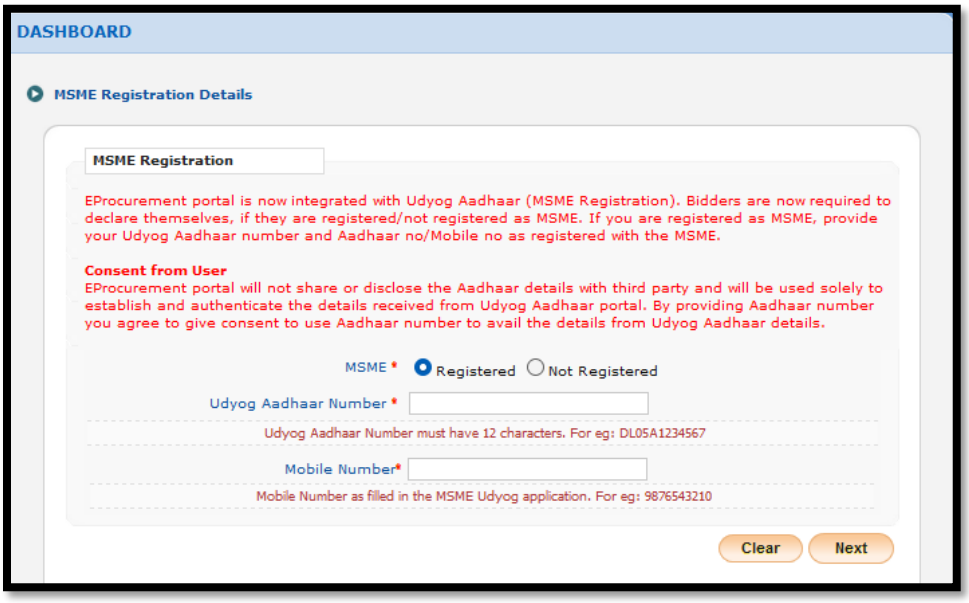

4.4 Privileges

The "Privileges" icon contains details regarding GSTN, MSME, UDYAM, and Startup India, where preferential bidders can enroll their registration details.

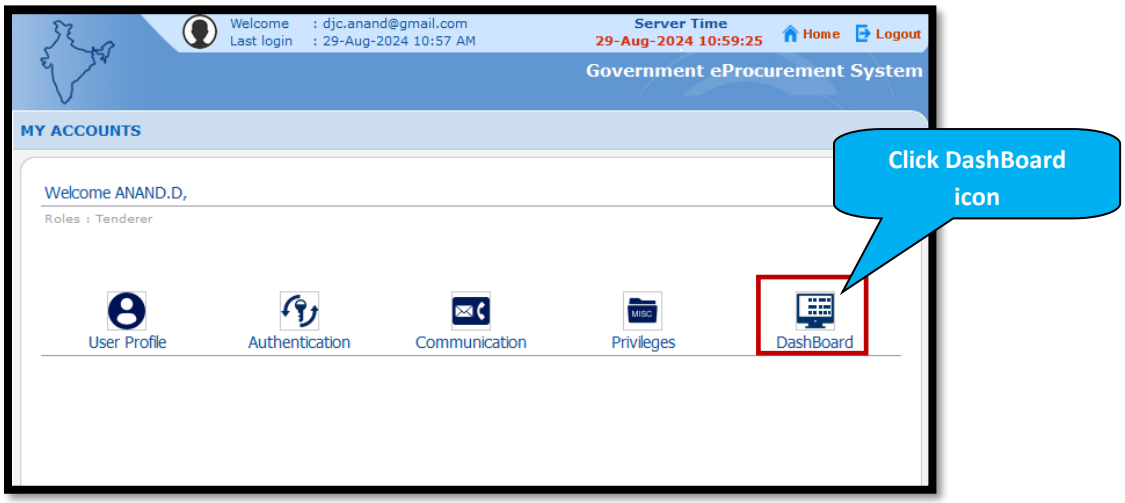

If you are registered as MSME, provide your Udyog Aadhaar Number and Aadhaar no/Mobile no as registered with the MSME.

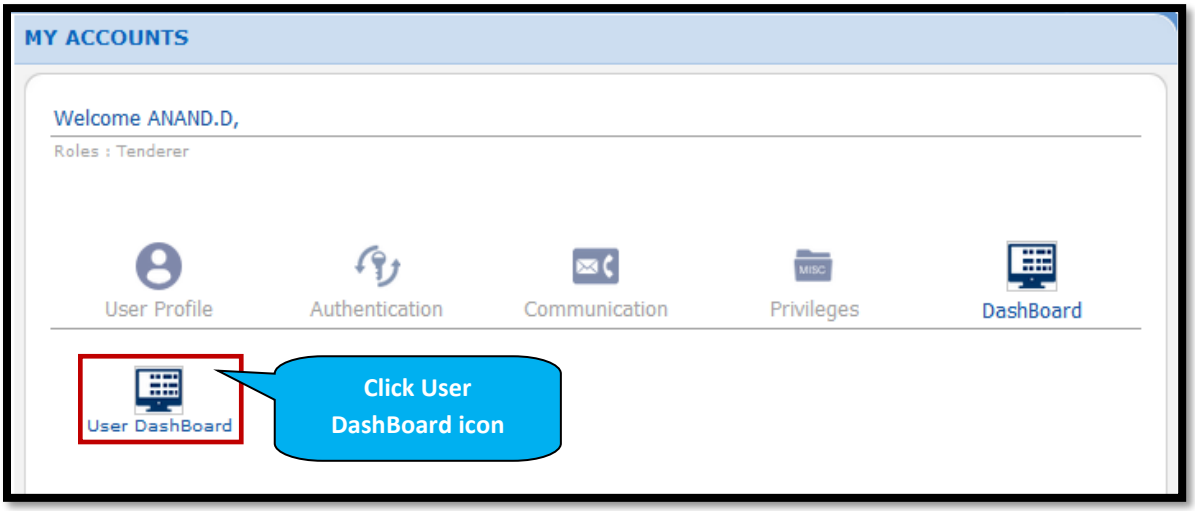

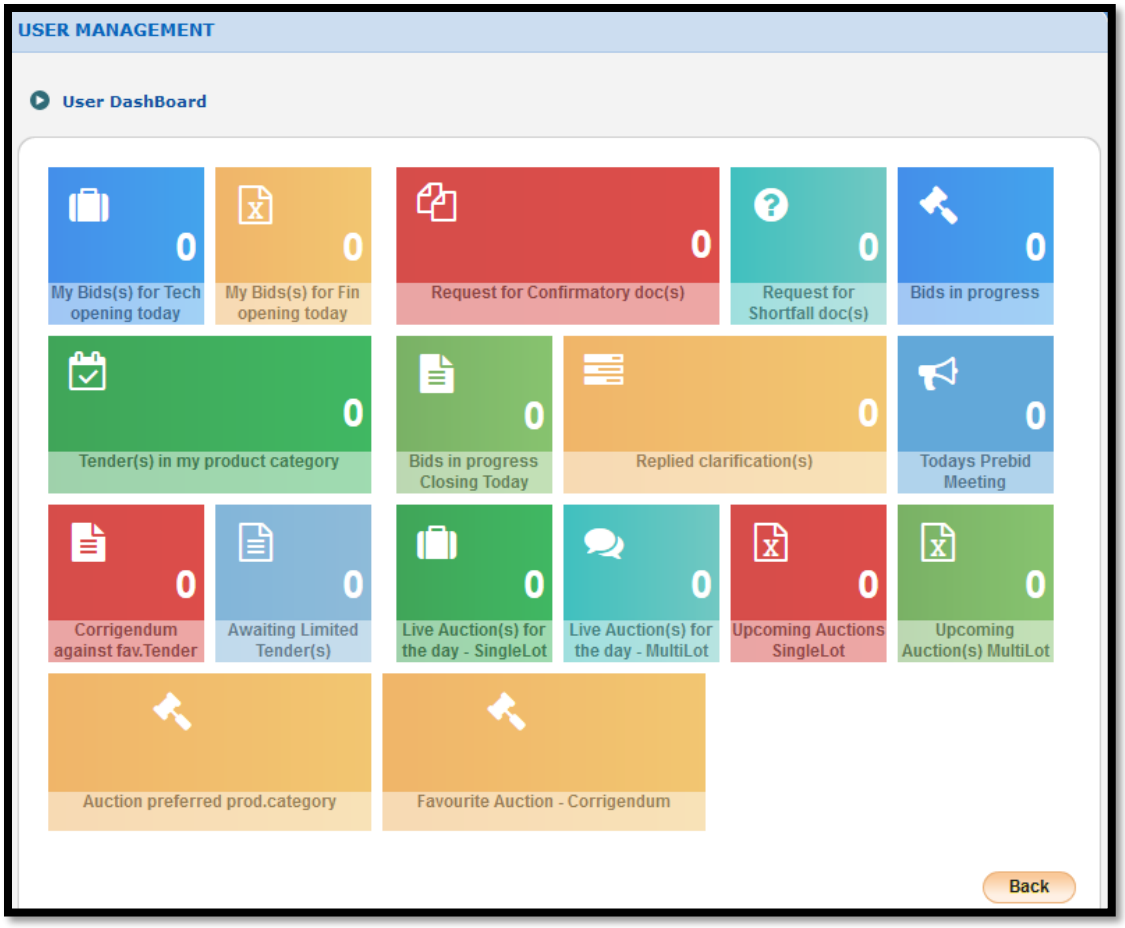

4.5 DashBoard

DashBoard icon contains details regarding User DashBoard.

Clicking the "User Dashboard" icon displays the user dashboard in a visual format, featuring sections such as “My Bids for Technical opening today”, “Bids in progress closing today” and others in a box layout.
