GEPNIC PROCUREMENT MANUAL • ITEM #1 (PAGE 1)

1. What is E-Procurement System ?

eProcurement System is a process of procuring the items electronically using internet. This facility drastically reduces the tendering cycle time and reduces most of the indirect costs and enhances transparency in procurement.

GEPNIC PROCUREMENT MANUAL • ITEM #2 (PAGE 1)

2. What are the requirements of the client machine to access the e-Procurement site ?

To access the eProcurement system, you need a computer system with Pentium IV configuration and above and an internet connection. It is recommended that the connection can be a dedicated connection for smooth operation of the system. The Browser should be Java enabled. (Mozilla Firefox / Google Chrome / Internet Explorer)The driver for the Digital Signature Certificate (DSC) is to be installed in the system once. The drivers are provided by the DSC providers along with DSC (in CD or can be downloaded).Java Runtime Environment (JRE) should be installed in the client system. This can be downloaded from the download links of the eProcurement System. You may kindly note that, the client system should have administrator privilege to install the DSC drivers and JRE.

GEPNIC PROCUREMENT MANUAL • ITEM #3 (PAGE 1)

3. Can I access my eProcurement Account from a different client system ?

You can use your account anywhere in the world with the above mentioned configuration (as in S. no.2). You need to carry your DSC with you.

GEPNIC PROCUREMENT MANUAL • ITEM #4 (PAGE 1)

4. What is the default Date and Time format used in the System ?

The Default date time format is Indian Standard Time (IST), Which is (GMT +5:30). The format used is DD-Mon-YYYY HH:Mi AM/PM. This standard convention is followed in all the pages.

GEPNIC PROCUREMENT MANUAL • ITEM #5 (PAGE 2)

5. What are the basic features available in this Procurement Portal as a general user ?

The users can use the link 'Latest Active Tenders' available in the Home Page of this portal, to see all the tenders hosted on this Portal and download the Tender Schedule free of cost.The link 'Tenders by Closing Date' gives the facility to view the Tenders which are closing Today or closing within next 7 days or closing within next 14 days.The link Corrigendum lists all the corrigenda published for the related Tenders.The site also provides facility to search for tenders on various parameters such as Tenders based on value, department, product category, etc.

GEPNIC PROCUREMENT MANUAL • ITEM #6 (PAGE 2)

6. Should I have any Anti Virus software in my client system ?

All are advised to install and keep an update of the signatures of the Antivirus. Bids with virus infected files are likely to be rejected by the eProcurement Portal.

GEPNIC PROCUREMENT MANUAL • ITEM #7 (PAGE 2)

7. Many documents have to be uploaded as PDF document. Sometimes, it is seen that Autocad drawings are required to be uploaded. Can I have some software for creating / viewing these documents ?

In the Home Page, under the downloads link, links for the software that are required for working with the application are given. These links point to the Open Source software and hence no licensing is required for using any of these software. Few of the links include Open Office, Adobe Reader, PDF Creator, DWF Viewer etc.,DWF viewer can be used to view the Autocad documents which are uploaded in DWF format.

GEPNIC PROCUREMENT MANUAL • ITEM #8 (PAGE 2)

8. I have uploaded the documents after digitally signing all the documents. Should I submit paper documents ink signed and submit to the TIA office ?

No. As per the IT ACT 2000, the Digitally signed document is as good as paper document for all legal purposes. Hence, there is no need to submit all the documents physically. However, when the physical documents are requested for cross checking purposes, the same need to be produced for verification. However, In the case of offline payment instruments, the physical documents need to be submitted before the bid opening event.

GEPNIC PROCUREMENT MANUAL • ITEM #9 (PAGE 3)

9. Whether Can I Upload BoQ with Currencies other than Indian Rupees ?

Yes. There is a separate BoQ for facilitating BoQ with International Currencies. The same is to be used while creating the BoQ. As on date, six currencies are allowed and each bidder can submit his bid with any one of the 6 foreign currencies of his choice. The rates as applicable on the date of opening will be used for comparative purposes. The system will give the indicative rates on the dates of opening and TIA has the option to override the system defined rates.

GEPNIC PROCUREMENT MANUAL • ITEM #10 (PAGE 3)

2. How much does it cost to enroll online ?

NIC does not charge the Bidders for enrollment. The same is dependent on the Organisation policy.Please check with the organisation.

GEPNIC PROCUREMENT MANUAL • ITEM #11 (PAGE 3)

3. If I am enrolled online, how long my enrollment is valid ?

Your enrollment is valid as long as your business exists. However upon expiry of your Digital Signature Certificate (DSC), you have to renew your DSC from the Certifying Authority and re-enroll the DSC. This might be different in some of the States eprocurement system, where in you may have to check with the respective authorities will approve your enrollment only then, you will be able to participate.

GEPNIC PROCUREMENT MANUAL • ITEM #12 (PAGE 3)

4. How do I log on to eProcurement system after I have enrolled? online ?

After registering on eProcurement system, You can just login, using the user ID, password and the Digital Signature Certificate, in to the portal.

GEPNIC PROCUREMENT MANUAL • ITEM #13 (PAGE 4)

5. Is it possible to edit my profile details entered during online enrollment ?

Yes, after logging in to the system, on the Dash Board, you may edit your details by clicking edit profile. Almost, all information except your loginid can be changed.

GEPNIC PROCUREMENT MANUAL • ITEM #14 (PAGE 4)

2. How do I change my password ?

After logging into your account, you will find a link to "Change Password" in your dash board.

GEPNIC PROCUREMENT MANUAL • ITEM #15 (PAGE 4)

3. Is the password secured ?

Password is encrypted at the database level. It is known only to you. Even the System Administrator does not know your password. As a part of the security policy, we advise you to change the password in regular intervals.

GEPNIC PROCUREMENT MANUAL • ITEM #16 (PAGE 4)

2. If the enrolled DSC gets expired and if I get a new DSC, how to map with the existing registered loginid ?

a) Scenario I - When old DSC has expired and user has got new DSC :If the enrolled DSC has expired, the system automatically inactivates the same and prompts for another DSC to be enrolled (afresh) at the next login.b) Scenario II -When old DSC is due for expiry and user has got new DSC :If the user wants to register with a new DSC, when the existing DSC is due for expiry, first login to the system with the Old DSC. Click on DSC information from the Dash board and click on remove. Then logout of the system. Now login again,the system prompts to enroll DSC and the new DSC can be enrolled. Caution : Never remove the Old encryption from the device. The old encryption certificates lying in the eToken must not be deleted. They should always be retained. Any of the tenders which have been configured with these old certificates as bid openers cannot be opened, if certificates have been deleted from the token.

GEPNIC PROCUREMENT MANUAL • ITEM #17 (PAGE 5)

3. Can I use the same DSC in enrolling for more than one loginid in the same site ?

No, at any point of time only one DSC can be mapped with one user account.

GEPNIC PROCUREMENT MANUAL • ITEM #18 (PAGE 5)

4. I already have purchased one DSC for use in other etendering system. Can I use the same DSC for this portal ?

Yes. As long as the DSC is valid and as per the requirements of the eProcurement portal, the same can be enrolled in this site.

GEPNIC PROCUREMENT MANUAL • ITEM #19 (PAGE 5)

5. Whether soft copy of Encryption Certificate should be taken from DSC Service Provider?(For Department User) ?

Please refer to FAQs available on CCA website http://www.cca.gov.in/cca/?q=Faq.html under Digital Signature Certificate. The same is reproduced again: Yes, The signature and encryption certificate should be separate for a Department User. The encryption keys are to be generated at the subscribers system and should be archived prior to transfer into crypto-medium. The signature keys should be generated in the crypto-medium and should not be copied. Hence, during procurement of DSC, Concerned User must ensure to keep the soft copy of Encryption Certificate in safe custody like mail, CD or pendrive.

GEPNIC PROCUREMENT MANUAL • ITEM #20 (PAGE 5)

6. What is the best practice in renewal of DSC pertaining to Department User? ?

If Department User has to renew DSC on its expiry, it is advised to get DSC in new token with old token kept intact. In case, Department User is getting the new Certificates in old token only, then kindly ensure that old Encryption certificate are not deleted as the same Encryption Certificate would be required during opening of tenders in which bids are encrypted with old encryption certificates.

GEPNIC PROCUREMENT MANUAL • ITEM #21 (PAGE 6)

7. What if my DSC gets blocked ?

DSC gets blocked after certain no of unsuccessful attempts of entering the wrong PIN. A blocked DSC cannot be used in the e-tendering system unless it is unblocked. To unblock your DSC please contact the service provider who has issued the DSC.

GEPNIC PROCUREMENT MANUAL • ITEM #22 (PAGE 6)

8. When I Connect to the site with https://<URL> I get an error message. How do I overcome this problem ?

As per the IT Act, the site uses SSL certificate issued by CA, India. Few of the browsers trust the certificates and few of them are in the process of trusting the same. You may kindly download the Trust Chain from the download link and trust these once, (A write up on trusting is also made available in the downloads), after that these error messages will not appear.

GEPNIC PROCUREMENT MANUAL • ITEM #23 (PAGE 6)

9. Whether Digital Signature (DSC) of one agency can be used for uploading of bid documents of another company or agency? ?

No. DSC of one company or agency cannot be used for uploading of bid documents by another company or agency. If it is used, the same is illegal under Information Technology Act (IT ACT) and will attract offenses as per the provisions of the IT ACT. In case of a Consortium or Joint Venture (JV), if a company has authorized an Individual of one of their DSC holders to submit bid on their behalf, the same is allowed. However, the bidder should submit an authorization, signed by both parties as part of the bid document indicating the permission to participate in the Consortium or Joint Venture tender as a participant.

GEPNIC PROCUREMENT MANUAL • ITEM #24 (PAGE 6)

10. Can International firm upload their proposals on e-procurement portal with DSC which is not issued by Indian firm/ not registered with this e-proc portal ?

As per the IT ACT, this eprocurement portal does not allow to register any DSC issued by CAs other than Indian CAs. However, Some of our Certifying agencies issue DSC for foreigners without visiting India. The details of which are already made available under the Downloads link of this portal.

GEPNIC PROCUREMENT MANUAL • ITEM #25 (PAGE 7)

11. Can a foreign bidder or a foreign consultant get DSC from their respective country i.e. any country outside India ?

No. The same is not allowed to be registered in this portal.

GEPNIC PROCUREMENT MANUAL • ITEM #26 (PAGE 7)

12. Can international consultant (out side India) get DSC through on line ?

YES. Pl refer to the link https://eprocure.gov.in/eprocure/app (S.No. 13, DSC for Foreign Bidders under downloads). Hence the Foreign Bidder / Consultant can get the Indian DSC issued and participate in our tender without visiting India.

GEPNIC PROCUREMENT MANUAL • ITEM #27 (PAGE 7)

2. How do I get clarifications for any doubt regarding Tenders Portal ?

Help is available at the 24x7 Help line 0120-4200462, 0120-4001002, +91-8826246593

GEPNIC PROCUREMENT MANUAL • ITEM #28 (PAGE 7)

3. What is the maximum size of a file that can be uploaded as a bid document in a packet in the eProcurement portal ?

The application does not impose any restriction on the size of bid document that can be uploaded into the portal. However, the upload limit is decided by the Network speed that the client system has and also the memory configurations that have been defined in the system for Java Runtime Environment(JRE). For better operational convenience, based on the field experience, if bids of larger sizes are to be uploaded in a tender, it is suggested that the number of documents in a packet or cover may be kept up to 4 or 5 documents and the bidder may be asked to upload a maximum of 40 MB per file and not exceeding 120 MB per Packet. This will result in better operational efficiencies.It is also suggested that the files while scanning may be scanned at less than 100 DPI resolution in black and white which will result in smaller file sizes.

GEPNIC PROCUREMENT MANUAL • ITEM #29 (PAGE 8)

4. How to verify the genuineness of EMD, other technical documents, Samples etc. received through e-Procurement system ?

In the e-Procurement portal, the technical and financial bid documents submitted by the bidders are digitally signed using their authorized officials valid Digital Signature Certificates (DSCs), which as per the IT Act, can be considered equivalent to the physical signature of an individual. For the Earnest Money Deposit, we advise the procuring entities to ask the bidder to submit invite a scanned copy of the draft / cheque / bank guarantee along with the electronic bid and also to submit a physical copy of the EMD (only) either in person or by post / courier. This can be verified with the uploaded scanned copy. Samples of any sort cannot be invited online and the procuring entities must ask the bidders to submit a physical copy of any samples. It is upto the procuring entities to verify their genuineness as per the norms they have been following so far.

GEPNIC PROCUREMENT MANUAL • ITEM #30 (PAGE 8)

5. What steps are to be taken by an Organisation, if they need to publish World Bank (WB)/ Asian Development Bank (ADB)/MDB funded tenders on CPP Portal? ?

If an Organisation has to float World Bank Funded tenders, then an Organisation structure has to be mapped on CPP Portal as per World Bank /ADB guidelines in which below properties will be enabled: 1. Disable the Visibility of Technical Documents submitted by Bidder to participating Bidders - This would not be applicable for Single Cover Tender, Department may publish the tender with two or more as Number of Covers on the portal. 2. Multi-Currency option 3. Same day Opening as Bid Submission End Date on the portal If an Organisation is also using NICs eProcurement software for publishing of their Normal Tenders, then they need to get new Nodal officer and new User Accounts created under World Bank/ ADB Hierarchy, and new DSCs are to be mapped with their accounts, separate from the DSCs which have been already mapped in normal tendering Hierarchy of their Organisation. For creation of World Bank/ ADB Hierarchy, please send the mail to cppp-nic[at]nic[dot]in

GEPNIC PROCUREMENT MANUAL • ITEM #31 (PAGE 8)

6. Whether my Technical Document and Financial Document is encrypted and Stored ?

signed and uploaded. The Documents uploaded in the Other Important Documents (OID) are digitally signed. All documents including the technical document and Financial documents are encrypted and safely stored using the PKI technology. It remains in encrypted format, till the bid opening date and time and cannot be seen by anyone till such time.

GEPNIC PROCUREMENT MANUAL • ITEM #32 (PAGE 8)

7. As a department user, by mistake I have rejected a bidder or the due to legal issues, the Tender Inviting Authority is forced to go back to previous stage and open a rejected bidder at the Technical / Financial Stage? Whether it is allowed and if so how ?

Yes. The system has the facility and is carried out using a Corrigendum. This corrigendum is Tender Revocation Corrigendum. When the tender is in advanced stage, the TIA can invoke this corrigendum based on the need and those who have participated in this tender are informed about this procedure by mail. The TIA can continue the process in the same way as before after accepting the rejected bidder. This is to be used in emergencies such as Court rulings or inadvertent errors. However, all activities are mailed to the respective stake holders.

GEPNIC PROCUREMENT MANUAL • ITEM #33 (PAGE 9)

8. I generated the BoQ Comparative Chart. I found that one of the Bidders data is not getting reflected in the Comparative chart. How to handle ?

The System generates the comparative chart from the BoQ uploaded by the bidders. If the Bidder makes any mistake in the Sheet Name or any of the values, then the system will not be able to read the data from the BoQ uploaded and hence may get missed out from the Comparative Chart. The Department user may take a decision to accept or reject that depending on the nature of mistake and regenerate the Comparative chart manually and upload this comparative chart along with the Financial Summary which can be seen by the General Public.

GEPNIC PROCUREMENT MANUAL • ITEM #34 (PAGE 9)

9. A Tender is published and cancelled after few days of publishing. How will I know the same ?

A tender when cancelled, it has to be cancelled using the Tender Cancellation corrigendum. The system will display this Cancellation corrigendum in this portal for a period of say 1 week from the date of publishing of the Cancellation Corrigendum

GEPNIC PROCUREMENT MANUAL • ITEM #35 (PAGE 9)

10. Visibility of Bid Documents submitted by Participating Bidders in a Tender. ?

As per instructions from Min of Finance, Participating Bidders will be able to view each Others submitted Documents after Technical Opening of the tender. However, if the tender involves matter of Bidders Confidentiality or IPR or any secret information then an approval from Vigilance Officer/ CFO/Competent Authority is required and this option of hiding the bid documents visibility can be configured accordingly, before the creation of tender on the portal. Such requests may be sent to cppp-nic[at]nic[dot]in. Note:This would not be applicable for Single Cover Tender.

GEPNIC PROCUREMENT MANUAL • ITEM #36 (PAGE 9)

11. How to list all Active tenders of eProcure.gov.in pertaining to my Department or Organisation in my website ?

The active tenders can be shown by using the following URLhttps://tntenders.gov.in/nicgep/app?page=FrontEndLatestActiveTendersOrgwise&service=page&org=<Organisation Name as appearing in the portal> For example giving a link to Department of Economic affairs can be done using the following. Pl note that Space should be replaced by %20 for viewing the results. https://tntenders.gov.in/nicgep/app?page=FrontEndLatestActiveTendersOrgwise&service=page&org=Department%20of%20Economic%20Affairs

GEPNIC PROCUREMENT MANUAL • ITEM #37 (PAGE 10)

2. Can bids be modified / withdrawn and conditions thereto. Is it not contrary to GFR-2005 ?

The e-Procurement system allows the bidders to modify and resubmit their bid documents before the 'closing date and time for bid submission' for the tender. After the closing date of bid submission, the bidders are not allowed to make any changes to their bid documents. Further, the option for the bidders to withdraw or resubmit their bids is optional, and it is upto the procuring entity to enable these options in the system on a case to case basis for each tender. The System will overwrite the old bids and only the latest uploaded document is retained. If you are resubmitting even a single document, the entire packet is to be resubmitted. Hence, it is within the purview of GFR-2005.

GEPNIC PROCUREMENT MANUAL • ITEM #38 (PAGE 10)

3. What precaution needs to be taken to submit online bids in the e-procurement system ?

Please prepare your documents well in advance and submit your documents well before the closing date and time. While scanning your documents (Scan in 75-100 DPI resolution) try to keep file size small so that bid submission is smooth. Also in the BOQ enter values only in the appropriate space provided. Do not make any change in file name or sheet name. If you are not able to submit at the last minute due to local power problem or internet problem, you may loose a chance to participate.

GEPNIC PROCUREMENT MANUAL • ITEM #39 (PAGE 10)

4. Central Vigilance Commission (CVC) , Asian Development Bank (ADB) and World Bank (WB) issues guidelines on security from time to time. Whether this portal adhere to these ?

Yes. To a greater extent the guidelines are followed and the system adheres to more than 95% of the guidelines issued by these agencies from time to time.

GEPNIC PROCUREMENT MANUAL • ITEM #40 (PAGE 10)

2. Can a foreign bidder or a foreign consultant get DSC from their respective country i.e. any country outside India ? ?

No. The same is not allowed to be registered in this portal.

GEPNIC PROCUREMENT MANUAL • ITEM #41 (PAGE 11)

3. Can International consultant (outside India) get DSC on line without physically visiting India ? ?

Yes. Kindly refer to the link DSC for foreign Bidders under the Dowloads Option which is available in the Home Page. Following the procedure given, the Foreign Bidder / Consultant can get the Indian DSC issued and participate in this eProcurement portal without visiting India.

GEPNIC PROCUREMENT MANUAL • ITEM #42 (PAGE 11)

4. I am a bidder residing out of India and I do not have representatives / office located within India. How do I indicate the PAN/TAN no in this Portal ? ?

The PAN / TAN is a mandatory field. As foreign bidders need not possess a PAN /TAN they may enter the dummy value TEMPZ9999Z as a PAN number and continue the process. This will be applicable exclusively for foreign bidders or specially exempted sector. For clarity sake, the detail given in the enrollment form is reproduced below: For Bidders who do not have PAN/TAN number may enter TEMPZ9999Z as the PAN/TAN number.

GEPNIC PROCUREMENT MANUAL • ITEM #43 (PAGE 11)

5. I am using Windows OS. I am unable to upload more than one file in the Bid Document. What changes in settings are to be done in my local client for this to work ? ?

1. Go to Control Panel 2. Choose the Icon - Region and Language and set the Format as English (United States) 3. Choose the Tab - Location and set the Current Location as India 4. Choose the Tab - Keyboards and Languages and Click 5. Set the Default input language as English (United States-US) 6. Ensure that in Installed services section English (United States-US) keyboard is listed in first place. Use Move Up/Move Down button to manure the order. Note: After completing the bid submission process the bidder can either revoke the above setting or use the language selection in Task bar to switch between languages.

GEPNIC PROCUREMENT MANUAL • ITEM #44 (PAGE 11)

6. As a foreign bidder, I am quoting the rates as per my currency which is approved by the Tender Inviting Authority. At what point of time, this Currency value is converted into Indian Rupees (INR) ? ?

It is usual practice that the value of conversion is normally done on the day of Financial Bid Opening based on the selling rate as on that date. However, the same information may be given in the Tender Notice document. The details given in the tender notice as specified by the Tender Inviting Authority will be the final.

GEPNIC PROCUREMENT MANUAL • ITEM #45 (PAGE 12)

2. Who will create users ?

Nodal officers of each department within states will create users for respective department who would have the roles of tender creator, Tender Publisher, Tender Opener and Tender Evaluator as per the need.

GEPNIC PROCUREMENT MANUAL • ITEM #46 (PAGE 12)

3. What is meant by role ?

Role is the activity assigned to a person to be performed in his official capacity. The assigned role can be for Tender Creator, Tender Publisher, Tender Opener, Tender Evaluator, etc.

GEPNIC PROCUREMENT MANUAL • ITEM #47 (PAGE 12)

4. Who is a Tender Creator ?

Tender Creator is an official who has been assigned the role for Tender Creation activity. The user with this role can create tenders.

GEPNIC PROCUREMENT MANUAL • ITEM #48 (PAGE 12)

5. Who is a Tender Publisher ?

Tender Publisher is an official who will verify the correctness of the tender being published and has been assigned the role for Tender Publishing.

GEPNIC PROCUREMENT MANUAL • ITEM #49 (PAGE 13)

6. Who is a Tender Opener ?

Tender opener is an official who will open/decrypt the Bids received against the tender both for technical as well as financial packets.

GEPNIC PROCUREMENT MANUAL • ITEM #50 (PAGE 13)

7. Who is a Tender Evaluator ?

Tender evaluator is an official who will upload the summary of various stages of the tendering processes.

GEPNIC PROCUREMENT MANUAL • ITEM #51 (PAGE 13)

8. What is Auditor Role and who is normally assigned this role? ?

Auditor role is mainly provided to officials who have been assigned the task of auditing the tendering process carried out by concerned Department/ Organisation. The official having Auditor role cannot be involved in the tendering process (like creation/publication/etc) of the concerned department / organisation. Generally, it will be used by external auditors and AG Audit users. Concerned department / organisation should contact Application Administrator for creating or assigning Auditor role.

GEPNIC PROCUREMENT MANUAL • ITEM #52 (PAGE 13)

9. How do I contact my Nodal Officer to request for user creation ?

The names and contact details of all Nodal Officers are provided in the home page of portal and can be contacted for user creation.

GEPNIC PROCUREMENT MANUAL • ITEM #53 (PAGE 14)

10. I do not find tenders to be published by me in my menu which were created by my colleagues. How to see / publish these tenders ?

To publish tenders, you must be in the same level (organization/ department/ division/ subdivision) as your colleague is in. If the tenders are not seen, then the levels of the users might be different. Check with your nodal officer and get this sorted out by transferring to the respective level.

GEPNIC PROCUREMENT MANUAL • ITEM #54 (PAGE 14)

11. My name is not appearing in my bid openers list even though my DSC/ encryption certificate is enrolled in the site. Why is it so ?

If the user is having Bid Opener role, that will get displayed for selecting the bid openers. However, the Expiry date of encryption certificate should be at least 15 days valid from the 1st Bid Opening Date. Only then the user will be displayed as one of the Bid Opener in the list.

GEPNIC PROCUREMENT MANUAL • ITEM #55 (PAGE 14)

12. In the case of a 2 of 2 Bid openers, one of the Bid openers DSC key is lost / due to some reason the DSC cannot be used for decryption. How do I handle this situation ?

Without both encryption certificates, the bids cannot be decrypted. It is always suggested to have 2 of 4 Bid openers option selected for handling such scenarios.

GEPNIC PROCUREMENT MANUAL • ITEM #56 (PAGE 14)

2. I am having trouble in installing the app? ?

Please check your phone’s OS version to ensure that it is compatible with the Android: Google Play Store, iOS: App Store, Windows: Windows Store Still if you are facing any problem, Make sure you are connected to the internet with a strong signal or a Wi-Fi connection. Your installation may not complete if the internet disconnects during the download. Switch off and switch on your phone and try installing again. Make sure that you have enough memory on your phone to install the app. You can free up storage space.

GEPNIC PROCUREMENT MANUAL • ITEM #57 (PAGE 15)

3. How do I search for tender of a particular organization ? ?

Go to the search tab on the bottom; Select the organization name and then search. It will list all the active tenders for the selected organization.

GEPNIC PROCUREMENT MANUAL • ITEM #58 (PAGE 15)

4. How do I change the language? ?

Go to the icon given on the top right corner of the app and select the language of your choice.

GEPNIC PROCUREMENT MANUAL • ITEM #59 (PAGE 15)

5. Where do I give my feedback/suggestions? ?

Under the menu given on the left had side, Feedback option is there. You may give your feedback/suggestion from there.

GEPNIC PROCUREMENT MANUAL • ITEM #60 (PAGE 15)

6. What all would be available in the app? ?

App will eventually contain all the tender details and its related corrigendums. It will have the Tender Status, Upcoming Events, any Alerts pertaining to the tender as well as portal. It will also have a web link which will land the user to the respective portal.

GEPNIC PROCUREMENT MANUAL • ITEM #61 (PAGE 16)

2. Who can assign or deassign the role of bid opener and what is the procedure to get bid opener role ?

At Department level, only eProcurement user with Nodal Officer role can assign / deassign various roles in the system. You can contact your nodal officer with filled in user account creation form, available in the Downloads section

GEPNIC PROCUREMENT MANUAL • ITEM #62 (PAGE 16)

3. How many bid openers should I choose during tender creation ?

It is suggested to select bid openers type as 2 of 4. Out of this 4, any two bid opener can open the bids from the list of four officials configured during tender creation

GEPNIC PROCUREMENT MANUAL • ITEM #63 (PAGE 16)

4. What types of certificates are required for bid opener role ?

Two types of certificates are mandatorily required for bid opener role. First one is Signing certificate, used for digital signing of documents and second one is Encryption Certificate, used for encryption and decryption of bids received from the bidders/ contractors. Encryption Certificate is mandatory for a Bid Opener role.

GEPNIC PROCUREMENT MANUAL • ITEM #64 (PAGE 16)

5. From where can I select the bid openers in my organisation ?

You can select bid openers from the same level and one level up and down from the organisation hierarchy. Whosoever has mapped both certificates (Signing and Encryption) and has validity will appear in the list

GEPNIC PROCUREMENT MANUAL • ITEM #65 (PAGE 17)

6. Should I initialize my Token when I renew my DSC ?

No! DSC should not be initialized by any means. If initialized, both certificates will be removed from the token. Any old bids cannot be opened / decrypted for which you are selected as bid opener

GEPNIC PROCUREMENT MANUAL • ITEM #66 (PAGE 17)

7. What to do if Bid Opener name is not visible in bid openers list during the tender creation ?

The following possibilities may be the checked. Check, if the encryption certificate is mapped successfully with bid openers account. If bid opener is from the same level it will appear automatically.3. Bid openers from other levels are to be mapped in the list of default bid openers using the Organisation hierarchy master available on user dashboard.4. DSC should be valid for at least 45 days from the 1st Bid Opening Date. Only then the user will be displayed as one of the Bid Opener in the list.

GEPNIC PROCUREMENT MANUAL • ITEM #67 (PAGE 17)

8. What is the validity period of a Digital Signature Certificate ?

The Certifying Authorities are authorized to issue a Digital Signature Certificate with a validity of two to three years. The maximum period for which the DSC issued is now only two years
